

Kieckhefer Elected GC Steel Director

James F. Kieckhefer of Milwaukee, vice-president of Loefer & Co., Inc. investment securities, was elected a director of the Granite City Steel Co. Tuesday at the annual meeting of stockholders in the company's general office building here.

Kieckhefer is a son of Alfred J. Kieckhefer of Milwaukee, a director of Granite City Steel from its incorporation in late 1927 until his death last April 21. Alfred Kieckhefer was president of the old National Enameling and Stamping Co. of which Granite City Steel was once a part, and also served as president of Granite City Steel in the first years of its existence as an independent corporation.

Nicholas P. Veeder, chairman of the board and president of Granite City Steel, announced that 3,673,458 shares of common stock, or 85.9% of the 4,282,418 shares of common outstanding, were voted in person or by proxy at Tuesday's meeting. The stockholders also re-elected the following directors, in addition to Veeder:

L. G. Bissell of New York City; attorney; Bertram B. Culver, Jr., of St. Louis, president of the Culver Educational Foundation; Aiken W. Fisher of Pittsburgh, president, Fisher Scientific Co.; James L. Hamilton Jr., executive vice-president and general manager of sales, Granite City Steel; Sidney Maestre of St. Louis, chairman of the board, Mercantile Trust Co.; Edwin Niedringhaus, vice-president in charge of tin plate sales, Granite City Steel; William Rodgers of Pittsburgh, vice-president, sales; Blaw-Knox Co.; George B. Schierberg of St. Louis, former president of Granite City Steel; Leif J. Sverdrup of St. Louis, president, Sverdrup and Parcel, Inc.

Reese Drug Stores Install Charge System

Reese Drug store customers are now able to say "charge it." If they have a charge plate of the new service recently inaugurated by the eight-member drug store chain.

The stores have installed the Shopper's Charge Service, a credit firm associated with the Morris Plan of New York, which will enable customers with the plates to not only charge in the drug stores but also in any other store with the same credit affiliation.

According to Walter A. Reese, president of the firm, the service will provide customers, who buy a great deal of medicine and accurate record for income tax deductions.

Father On Probation For Letting Son, 15, Drive

Ervin Turner, 40, of 2043 Quincy street, was fined \$100 and costs Monday when he appeared before Police Magistrate Gasparovic and pleaded guilty to charges of drunkenness and permitting an unlicensed person — his 15-year-old son — to drive a motor vehicle. The magistrate withdrew \$75 of the fine in favor of a year's probation. The boy, Paul, also was arrested on a charge of operating a motor vehicle without a driver's license and was fined \$10 and costs. The father and son were arrested about 11:30 p.m. Sunday at 16th street and Edison avenue.

Infant Son Of Mr. And Mrs. Russell Ames Dies

Christopher M. Ames, infant son of Mr. and Mrs. Russell Ames, 5032 Lakeview, Granite City, died shortly after birth at 12:30 p.m. Tuesday in St. Elizabeth Hospital.

The infant's father is an electrical superintendent at the Rite Electric Co. in Granite City. Other survivors are a brother, Michael Ames; a step brother, John Ortolan; two sisters, Kathy and Ruth Ann Ortolan, who live at home; paternal grandparents, Mr. and Mrs. James Ames of Pana, Ill.; and maternal grandparents, Mr. and Mrs. Michael Jarbo of Granite City.

Private services were held today. Details are in today's obituary column.

Three Youngsters Hurt In Separate Mishaps

Three Quad-City youngsters suffered lacerations in separate accidents at St. Elizabeth Hospital, Monday and were treated. Darcene Biggs, 3, daughter of Mr. and Mrs. George Biggs, 1915 Russell avenue, cut her right leg on glass and the wound required six sutures to close. Suffering cuts to their heads in falls at home were Marilyn Walker, 3, daughter of Mr. and Mrs. Clyde Walker, 1725 Spruce street, and James Ahlers, 6, son of Mr. and Mrs. Bernard Ahlers, 2601 East 28th street. Marilyn's wound required two sutures to close and James had one suture applied.

Crash On Madison Ave.

Involved in an accident in the 2700 block of Madison avenue Tuesday evening were north-bound autos driven by Eva Lane, 34, of 2823 Indiana avenue, and Emilio J. Campos, 25, of 1738 Edison avenue. Police said there was damage to the right front fender of the Lane auto and to the left rear fender of Campos car. No injuries were listed.

QUESTIONS and ANSWERS

ABOUT REESE'S NEW CHARGE SERVICE---

Q. WILL THIS BE A VALID RECORD FOR INCOME TAX DEDUCTIONS?

A. YES. Your prescriptions and other deductible drug items will be on the original charge slip which is mailed to you, with your statement. On the statement will also be the prescription number and amounts.

Q. WHAT IS REESE'S SHOPPERS CHARGE SERVICE?

A. Reese's Shoppers Charge is a new kind of service which gives you... charging convenience automatically in all special stores all around the city which display the SCS emblem.

Q. HOW CAN I VERIFY MY REESE SCS CHARGES?

A. Each month with your statement from SCS you will receive all your original sales slips as you do with any charge account.

Q. WHAT WILL SCS DO FOR ME?

A. Save you from carrying large sums of cash and from the fuss and bother of opening individual charge accounts; footstaps, postage and checking costs, too—because you receive just one monthly statement for all purchases made in any one of the Member Stores.

Q. IS THERE ANY CHARGE FOR THIS SERVICE?

A. None whatsoever with a regular 30-day Charge Account. The service is free to customers.

Q. MAY OTHERS USE MY ACCOUNT?

A. Any person—and only those persons—whom you authorize on your application. A plastic charge plate will be mailed to a few days after you make application. If you wish, charge plates will be issued for others whom you designate.

Q. HOW WILL I PAY MY REESE SCS BILLS?

A. Enclosed each month with your itemized statement is an addressed envelope for your convenience. Or, you may pay in person at the SCS office.

Q. ARE EXTENDED PAYMENTS POSSIBLE?

A. Yes. Under the Flexible Charge Account, you can pay 1/5 each month. There is no charge for the first month or for any month you pay the balance in full. The remaining months you will be charged 1 1/2% on the balance owing.

Q. HOW MAY I OPEN MY REESE SCS ACCOUNT?

A. Just complete the brief application above, or pick up one in the store.

increases on the following agreement, unanimously adopted:

"1. The educational maximum rate of \$1.75 authorized by the voters in 1957 is the limit of resources in the educational fund. It was the unanimous feeling that the board of education is duty bound to the community to operate the school district within these limits. To provide the necessary funds for these salary increases, additional pupil enrollment—500 by September 1960 and an additional 500 by September 1961—and debt retirement, the tax rate in the educational fund will have to be increased 22 cents.

"2. The salary increases would maintain an attractive salary schedule comparable to other school districts in the area. The Granite City school district is one of the poorer school districts in the area in relation to the number of pupils and the assessed valuation. The assessed valuation per child in the school district is around \$13,500, as compared to some of the neighboring school districts where the amount per child ranges from \$13,500 to \$45,000.

"3. The board feels that some effort must be made to reduce the present indebtedness of the school district. It is estimated that the district will have to borrow approximately \$1,000,000 to meet its obligations for this school year. The salary increases as recommended by the board will not decrease the debt. If the board would attempt to reduce this indebtedness substantially, there would be no money available for any salary increases.

"4. The board unanimously agreed that the present offerings and services should be maintained. It was the feeling that the citizens would demand and expect an educational program that would justify the taxes being paid to the district.

"The board has made every effort to increase teachers' salaries within the conditions indicated above."

Salaries in Other Fields
In the brochure presented to the district, the federation cited average salaries in accounting, business, engineering, industrial relations, sales, steel and scientific fields in contending that the pay of teachers should be raised substantially. A chart showed average salaries paid to college graduates by a sampling of 20 midwestern firms, and reviewed consumer price increases and federal income taxes paid by teachers.

Listing an \$820,113 estimated increase in educational fund taxes, the committee said it believes there is sufficient money available to reduce the debt and to grant the requested increase which it estimated at \$360,000 including a annual increments. The administration has disagreed with the figures and conclusion, saying that a different accounting procedure must be followed in budget and tax levy planning.

The committee said it believes "ample money is available for moderate salary adjustments. The community is capable of supporting a quality program of education. We have tried to

point out that a quality program of education, the basis of which is teacher performance in the classroom, should be recognized by adequate compensation. The cost of living has materially increased. Our salary proposals for 1960-61 are modest and reasonable.

"Stop-Gap Job"
"We fully expect that the facts presented in this brochure will motivate the board to realize that an educational system will be no better than its salary schedule. The devotion that has kept so many able teachers wearing thin and, what is perhaps even more alarming, young people are not inclined to look upon teaching as a worthwhile career. Many think of it as a stop-gap job until they find something better, as evidenced in our system."

"The old axiom that in the end you get no more than you pay for is as true in education as in any economic arena, the only difference being that your children suffer."

"America's destiny demands that the good teacher shall remain in the classroom. More than any other school personnel, he molds the character and inspires the intellect of future citizens. We all know that the impact of the good teacher upon his students is lasting and immeasurable."

"Teachers are a dedicated group who know their own worth. Post-war history has shown that whenever classroom teachers are denied the prestige and status they deserve, they leave the classroom to seek other positions in the school, or they leave the school system to seek more rewarding positions elsewhere."

SO TRUE
All too often a taxpayer gets the feeling that he is his brother's keeper.

GOVERNMENT SAVINGS BOND yields are being pointed out by Col. Jack Jeffrey, in uniform, commander of the Granite City Engineer Depot, as he explains to area business and civic leaders the importance of encouraging their employees to join the payroll deduction plan for buying bonds.

Outlined For Industries

U.S. Savings Bond Payroll Deduction Program To Start

Four reasons why local businesses should encourage the payroll deduction plan of buying government savings bonds were outlined by Col. Jack Jeffrey, commanding officer of the Granite City Engineer Depot, who spoke before representatives of industry and schools at a luncheon Wednesday at the YMCA.

"The purchase of bonds helps halt inflation, encourages the thrift habit, increases an interest in the government and helps win the cold war," Col. Jeffrey said. "We need to sell more bonds because in recent years people have been turning them in faster than we can use them."

The luncheon was held in connection with a bond-selling campaign which starts in the Quad Cities next Monday and will continue for a week. Harry Wood, area representative of the United States Treasury Department and Henry D. Karandjoff, board chairman of the Granite City Trust and Savings Bank, also spoke. Karandjoff also is county bond sales committee chairman.

Wood explained that payroll deduction plans are one of the best ways to buy bonds and encourage those present to use them.

Two Men Shot

(Continued From Page 1)

did not see the other shooting.

Smith's companion said Ford had the shotgun in his hands as he stood in the kitchen doorway according to the statement obtained by the state's attorney's office. No one in the tavern, four men and a pregnant woman, all from the Collinsville and St. Clair county areas, saw the subsequent firing, but authorities believe Ford ducked into the kitchen and Smith fired through a small service window.

Ford was hit three times—in the chest near the heart, in the right hip and right side while Smith caught a shotgun blast in the left chest near his armpit. Ford's second shot struck a refrigerator. Gitchoff said there were three "spent shells" in Smith's 38 caliber revolver, which was turned over to the county by Smith's father, and two empty shotgun shells were found at the tavern. After the shooting, Smith's companion carried him out of the tavern to their automobile and took him to the local hospital. Ford walked down the basement steps and out a rear door of the building, proceeding toward the front where he collapsed against a parked car. He was carried inside by county authorities, who were notified of the shooting by Mrs. Ford.

Gitchoff said the patrons at the tavern included a Jerry Watson, 27, the tavern porter who lives on the premises; a Robert Hamilton of Collinsville; Kenneth Bearden of Collinsville and a Donna Lee, also of Collinsville.

Watson and Hamilton were seated at the end of the bar near the kitchen door talking to Mrs. Ford when the shooting started. Watson ran out the front door, while Hamilton and Mrs. Ford fell to the floor behind the bar. The other patron also ran out the front door, according to statements obtained by Gitchoff.

All available night deputies were ordered to the tavern to investigate the shooting. While there, they received instructions and removed the county tavern license and turned it over to the liquor commission. It was learned a hearing on the license, which was obtained last June 28 by Mrs. Ford, is to be scheduled at Edwardsville.

Night deputies said they had been called frequently to the tavern in recent weeks to quell disturbances.

Assistant State's Atty. Gitchoff said he plans to interview the two wounded men as soon as their condition permits.

Farmers Warned Not To Hire Workers Under 16

Farmers who are hiring workers for spring planting and harvesting were reminded today that Federal law prohibits children under 16 from working on farms during school hours.

"The place for children is in the classroom and not in the fields," said Regional Director Edri F. Halverson of the U. S. Labor Department's Wage and Hour and Public Contracts Division, the agency which enforces the Federal child-labor law.

Halverson added that children of any age may do farm work before or after school hours, on weekends, or on holidays. He stated, too, that farm children working exclusively for their parents are exempt from the Federal child-labor law.

"I also want to point out that the child-labor provisions apply equally to local children and migrants," Halverson said. "However, migrant children under 16 may be employed in the spring if the school they last attended is closed for the summer, even though schools may still be open in the area where they have moved to work."

He said the farmer can best protect himself from unintentional violation of the law by requiring from each young person he employs during school hours, an age certificate showing he is at least 16.

Highway Mishap

Two men were injured at 6 m. Wednesday on Bypass Route 66-40 just west of Route 67 when a westbound car driven by Alvin E. Zeitz, 56, of Stanton, swerved off the pavement and struck the right side of an eastbound auto driven by Henry Howard Jr., 39, of Kinloch, Mo. Howard was attempting to pass another eastbound car and also swerved off the highway when the accident occurred, according to state police.

Both men were taken to St. Elizabeth Hospital and released after treatment. Zeitz suffered a cut to his nose and contusions to his right knee and Howard sustained cuts to his right ear and arm and abrasions to the left ankle.

Motorist Arrested
Mrs. Bernice Baker, 47, of

2424 Delmar avenue, suffered minor injuries Tuesday afternoon when an auto in which she was riding, driven by her husband, Wade Baker, 47, was involved in a collision at East 23rd street and Namekoki road. The other driver, William Robert Campbell, 40, of Kinloch, Mo., was charged with failure to observe a stop sign. He was fined \$5 and costs.

Police said Baker was driving north on Namekoki road and making a left turn, while Campbell was traveling south.

Mrs. Ann Eberhart, 57, of Mitchell, was treated at St. Elizabeth Hospital Monday evening for contusions to her face and right shoulder, suffered in an auto accident. Details of the mishap were not available from the family or authorities.

HEARTY BARBECUE RIBS

LUNCHEON MAINSTAY
It was a delightful and hearty experience to sit down to a plastic cloth-covered directors' table and eat hot, barbecued spareribs, twice baked potatoes, crisp tossed salad, French bread, homemade gingerbread with lemon sauce and endless cups of piping hot coffee.

Furthermore the generous Chief Cook shares her recipes:

Barbecue Sauce
(For Chicken, Spareribs or Hamburgers)
1/2 cup salad or cooking oil
1/2 cup chopped onion
1/2 cup ketchup
1/2 cup water
1/2 cup lemon juice or vinegar
3 tablespoons sugar
2 tablespoons sugar
2 tablespoons prepared mustard

and
1 tablespoon Worcestershire sauce
2 teaspoons salt
1/2 teaspoon black pepper
Cook onions until soft in hot oil; add remaining ingredients and simmer 15 minutes. Brush generously on meat, cook and baste frequently with additional sauce while cooking.

Louise says she always uses lemon juice instead of vinegar when barbecuing chicken. She brushes the chicken with oil and browns it under broiler on both sides. Then she applies sauce generously and puts chicken into shallow pan in 325-degree oven; she turns chicken parts and bastes again after about 15 minutes.

First coffee trees were grown in Ethiopia.

Miss Nancy Wilson Is Honoree

Another delightful party and kitchen shower honoring Nancy Wilson of Wood River was given Tuesday evening by Mrs. Merna Young of Chicago, her mother, Mrs. Chalmers Tucker, Mrs. C. E. Townsend and Miss Nancy Townsend at the Tucker home, 2109 Richmond avenue.

Miss Wilson, only daughter of Mr. and Mrs. Jesse Wilson of Wood River, former Granite City, is to be married June 19 to Ward Thomas Ryan of Washington, Ill.

The guest list at Tuesday's party included, besides the honoree and her mother, Mrs. Richard Wilson of East Alton, Mrs. Robert Wilson of Wood River, Miss Jo Ann Leonard of Bethalto, Miss Judy Abernethy, Miss Nancy Fleishman, Mrs. Arnold Fleishman, Mrs. Al Barnes III, Mrs. Edward Pauley, Mrs. Leonard Fleishman, Mrs. Frank Rickert, Mrs. Frank Seiler, Mrs. Lester Holzinger, Mrs. Joe Falevich, Mrs. Elmer Miller, Mrs. C. E. Statton, Mrs. Louis Mehl and Mrs. Walter Odigan.

Centering the refreshment table covered with a red and white check cloth was a wicker basket filled with small cups of groceries and red geraniums and favors were miniature glasses of jelly.

The gift table held a black table sprinkling can filled with red carnations and white snapdragons and suspended above was a large decorated spoon, fork and potato mashers. The names of the engaged party were on the spoons.

After the gift packages were opened, the evening was spent at games and several prizes were awarded. The rathskeller carried out the bride theme with wedding bells and spring flowers used in abundance.

Legion Auxiliary Hears Reports

The American Legion Auxiliary, Unit 113, met last night with Mrs. Ella McKittick in charge.

Reports of Civil Defense, Child Welfare, sick, visiting and Poppy chairman committees were heard and plans were made for a social Sunday May 15.

Past presidents were honored at last night's meeting and plants were given to the eldest and youngest members of the past presidents and to the eldest and youngest among the Auxiliary members. The Gold Star mothers also were remembered.

Mrs. Alma Klaus, president of the Past Presidents Club, expressed the thanks of her group, and a "white elephant" sale was held.

Prizes were won by Mrs. Ada Dishong, Mrs. Dollie Brewer, Mrs. Ida Reading, Mrs. Helen Qualls, Mrs. Shirley Costello, Mrs. Dolores Craycraft, Mrs. Minnie Grob, Mrs. Edna Welling, Mrs. Winifred Costello, Mrs. Eva Schober and Mrs. Millie Steiger.

Hostesses were Mrs. Bernice Spalch and Mrs. Dolores Craycraft. Approximately 50 attended.

PBX CLUB HOLDS SEASON'S LAST MEETING

The Granite City PBX Club held the final meeting of the season Tuesday evening at the home of Mrs. Mary Ferguson, 2333 Clark avenue.

Plans were made to make a contribution to the Boy Scout summer activities program, and to join with members of the St. Louis PBX club in a boat excursion this summer. Also discussed was the national convention in Salt Lake City July 20-23 at which Mrs. Gwen Coss will represent the local club.

The prize for the drawing went to the hostess and the group adjourned until September when the first fall meeting will take place at the Engineer Depot.

RETURNS FROM CERAMIC CONVENTION

Mrs. John Scherer, 3704 Franklin avenue, has returned from an 11-day stay in Ashbury Park, N. J., where she attended the Eastern Ceramic Show held in Convention Hall.

Three ceramic seminars were conducted in connection with the annual meeting of the National Ceramic Association.

The Mid-State Ceramic Association, Inc., shows will be held at Hotel Chase in St. Louis Aug. 26-28. It will be represented by a large delegation of the members of the Eastern league.

VISITING SON

Mrs. Fred LaCiero of Seaside Heights, N. J., has arrived in the city for a visit of indefinite duration with her son and daughter-in-law, Mr. and Mrs. Fred LaCiero Jr., 2588 Boyle avenue.

Scout Troop 12 Has Open House, Court of Honor

Boy Scout Troop 12, sponsored by the Neidringhaus school PTA, held open house and a court of honor Monday evening at the school cafeteria, with Scoutmaster Leo Holbrook in charge. The invocation was by Charles Wicker, and presentation of colors was conducted by the Eagle patrol of the troop.

Committee Chairman B. C. Robertson opened the meeting by asking every scout to introduce himself and his relatives and guests. Robertson introduced the invocation by Charles Wicker, Mr. and Mrs. Charles Wickers and Frank Dragachin. Acquaviva is neighborhood commissioner and Dragachin is institutional representative.

Acquaviva presented the new charter, which was accepted by both Holbrook as scoutmaster and Robertson as president of the PTA.

Associate Scoutmaster Fred Holbrook presented star ratings to Bill Laycock, Joe Grabowski, Jerry Walters, Leonard Holbrook and Bernie Vein, and star ratings to Yvonne Walters and Laycock. The five scouts then presented pins to their mothers.

Hacke gave a resume of the troop's advancement since its recharter in January, and Wicker spoke on scouting. Robertson reported on the troop discipline measures. The program consisted of a first-aid demonstration by the Panther patrol, which received an "A" rating in the district first-aid meet.

Carroll Reeder showed slides of Camp Sumner, and slides were shown of the troop's activities. Refreshments were served by committee members.

Hacke, Mrs. Robertson and Mrs. George Yevin.

St. Mark's PFA Plans Breakfast For Graduates

Mrs. Arabelle McGee, president, was in charge of St. Mark's Parents and Friends Association at a meeting held Tuesday evening in the church basement. Reports were given by committee members.

Mrs. Frances Hartman and Mrs. Evelyn Tolliver were named for the graduation breakfast to be served May 28.

New officers elected at the meeting were: president, Mrs. Yvonne Guth; vice-president, Mrs. Velma Shambro; secretary, Mrs. Tillie McGee; assistant secretary, Mrs. Grace Koelker; and treasurer, Mrs. Evelyn Tolliver. The installation of officers will be held at the June meeting, with outgoing officers as hostesses for the evening.

A social time was enjoyed, and a dessert luncheon was served by the hostesses, Mrs. Mary Donna Scaturro, Louise Reidelberger, Mrs. Rose Schank, Mrs. Eleanor Scaturro and Mrs. Angeline Scaturro.

Others present were Sister Anita and Mesdames Hattie Mulick, Rose Ponce, Julia Mahan, Margaret Lee, Bess Shell, Nadine Meehan, Bertha Pace, Lena Georgeff, Vivian Billa, Barbara Burgener, Pauline Koelker, Pat Fielder, Lillian Durer, Roberta Mueller, Dorothy Koelker and Eva Maurer.

YWA HOLDS MOTHER-DAUGHTER PARTY

The Young Women's Auxiliary of Calvary Baptist Church held a mother-daughter party Monday evening at the church.

A special program was presented by the members, and a green and white color scheme was used in the decorative scheme with bouquets of white flowers centering the table.

Refreshments were served by the sponsors, Mrs. Edith Harris and Mrs. Lois Bradford, to the young women and their guests.

Those present were Misses Judy Pfaff, Judy Brooks, Connie Clark, Frances Wallace, Linda Harrison, Patricia Pyrtle, Nita Patterson, Jennifer Snider and Mesdames Ruby Pfaff, Theron Brooks, Debra Velshane, Pat Wallace, Carl Harrison, William Pyrtle, Berl Patterson, Mabel Turnbull and Bernice Snider.

Conference On Aging May 19 In Mt. Vernon

Delegates from 19 southern Illinois counties will attend the Regional Conference on Aging to be held at the First Community Church in Mount Vernon on Thursday, May 19. Nine will attend from Madison county, including Mrs. Hulda Davis, wife of Granite City Mayor Leonard Davis.

The meeting is the second in a series held prior to Illinois participation in the White House Conference on Aging, scheduled in January of next year in Washington, D. C. During April open meetings of the County Welfare Services committee were held throughout the state. The county level meetings of the county level meetings of old age problems and solutions of old age will culminate at a state meeting in Springfield this September.

Dr. Joseph W. Compton of East St. Louis is the regional committee planning chairman, and will also serve as general chairman at the Mount Vernon meeting.

State Senator Paul Broyles of Mount Vernon will deliver the what you can get.

Driver In Accident Pleads Not Guilty

Kenneth R. Archer, 34, of 2843 Myrtle avenue, pleaded not guilty this morning before Police Magistrate Gasparovic to a charge of driving while under the influence of liquor, filed last night by Granite City police following a three-car traffic accident in the 2400 block of Edwards street.

Archer was released on \$250 property bond to appear for a hearing May 26.

Police said he was driving east on Edwards street and struck two parked autos facing west. The parked cars belonged to Willie K. Hampton, 37, and Herbert Miller, 21, both of 2433 Edwards street. The autos of Archer and Hampton were towed away.

Burglars also visited Tarpoff Packing Co., 1428 Edwardsville road, Monday night — on early Tuesday morning, stealing a case of whisky, a case of 22 caliber shells and an electric razor.

The offices were thoroughly ransacked and a door leading to the office of the U. S. meat inspector was forced open inside the plant. That office also was ransacked and several cigars were stolen.

Police said the case of whisky was taken from an unlocked safe.

Entrance was gained through a rear window which is 20 feet above the ground level. Police believe the thieves crawled on top of their vehicle to reach the window. The break-in was discovered at 4:45 a.m. Tuesday.

Charge Filed Against

A charge of failure to yield right-of-way was placed against Harold Remaker, 25, of 2204 Lee avenue, who was involved in a two-car accident yesterday afternoon at Edwards street and Ridgeland avenue. He posted \$111 cash bail.

Granite City PRESS-RECORD

Page 8 Thurs., May 12, 1960
Police said Remaker was traveling south on Ridgeland avenue, while the other auto was being driven east on Edwards street by John R. Pierce, 33, of 2600 East 24th street. No injuries were listed.

Fisher Pleads Innocent

To Aggravated Assault
A pleading of not guilty was entered Tuesday before Police Magistrate Gasparovic by Landon Ray Fisher, 28, of Caseyville, who was arrested at a Granite City tavern Sunday on a warrant charging aggravated

assault filed by the father of a woman who said she was beaten by him and suffered a fractured jaw on April 27.
Fisher was freed on \$1000 property bond to appear for a trial before the magistrate on May 24.
The complaint was filed by

Edgar Elsdorff, father of Mrs. Verla Milton, 27, who said she was working at Lesko's Inn, 608 McCambridge avenue, when she was struck by a male customer after she refused to pay him money allegedly owed by her ex-husband.

Two Minor Fire Alarms

In Granite City
An odor of burning wire at the 2 1/2-story frame home of Nora Roberts, 2200 State street, resulted in Granite City firemen being summoned at 1:55 p.m. yesterday. The house was thor-

oughly searched by the firemen who were unable to find any signs of smoke or fire. The householder was advised to summon an electrician.
On Tuesday, firemen went to the home of Thomas Westbrook, 2432 Logan street, where a sack of old papers, being stored in the

basement for a church drive, had caught fire. No loss was reported as the smoldering papers were extinguished.
Not Magellan but Sebastian del Cano and 31 shipmates made the first circumnavigation of the world. Magellan died during the course of this voyage.

Madison Teachers, Board Plan Further Salary Talks

Further negotiation sessions between a committee representing the Madison Federation of Teachers and Madison School Board will be necessary before agreements on 1960-61 school year teacher salary schedules and fringe benefits can be reached.

Brown called for another meeting, the date for which was not set, after he and members of the Madison school board had met with Mrs. Marjorie Lomax George Hopkins and Portie Cawly, MFT representatives, in the superintendent's office Tuesday night.

During the meeting, the board approved a recommendation by Brown that \$14,300 in school district funds "be earmarked for improvement of the present teacher salary schedule" in the school district.

"Maximum Amount" The superintendent said the figure "is the maximum amount available" for increasing teachers' salaries for the 1960-61 school year.

A proposal submitted by the teachers' local calls for salary increases of approximately \$10,000, applying to teachers, the holders of bachelor and master degrees and those with 30 graduate semester hours above a master degree, Brown estimated.

Brown said the district will expend an additional \$35,300 from the educational fund during the coming school year, employing three new teachers (\$15,000), providing for regular salary increases (\$5,000) and one new school principal (\$7,000), and absorbing a portion of the added cost by a 1959-60 salary schedule which is carried over into the next fiscal year at the request of teachers who ask to be paid on a 12-month basis (\$7,000).

\$40,000 Added Expense Total additional expense in the educational fund, provided the teachers accept the \$14,300 in raises, would be \$49,600 for the coming school year, Brown said.

"The \$14,300 in raises offered by the school district is spread out to include all teachers in the system under the superintendent's scale. The school board approved Brown's motion that the teachers consider the proposal and suggest rearranging the distribution of the raises as they see fit."

A spokesman for the federation representatives at the meeting said that the committee was not empowered to accept or reject Brown's proposals at this time, since the committee chairman, Joseph Naglich, has resigned from the committee due to poor health and no successor has been appointed.

Current salary schedules in effect in the Madison system for non-degree teachers range from \$471 a month during the first year to \$611 a month in 13 years. The teachers' committee asked that the starting wages in this category be increased to \$478 a month, but requested no increase at the top of the non-degree scale.

Bachelor, Master Schedules Present bachelor degree holders begin at \$527 a month and reach \$667 in the 13th year. The teachers' committee proposed bachelor degree starting wages be increased to \$533 a month, reaching \$778 after 12 years. In his counter proposal Brown offered a starting wage of \$532 a month and \$678 after 12 years.

Master degree holders currently start at \$582 a month, with the monthly salary increasing to \$772 after 12 years. The federation is asking a \$600 a month starting wage, increasing to \$884 after 12 years. Master degree holders with 30 additional graduate semester hours of credit now begin at \$615 a month, increasing on a scale to \$755 in 13 years. The MFT proposal calls for a beginning wage in this category of \$633 a month, increasing to \$878 after 12 years. Brown offered \$621 a month the first year, and \$767 after 12 years.

The superintendent's salary increase proposals were to add \$5.55 a month to the present salaries of teachers in the first and second year, and \$11.10 a month to the salaries of all teaching personnel in the system for more than two years.

Long Service Offer Brown also proposed additional salary benefits for teachers with long service: \$11.10 a month to those with 14-18 years' service, \$22.20 a month for 19-22 years' service, and \$33.30 a month for 23 or more years' service.

In the fringe benefit area, the school district has offered to increase the present 30-day yearly sick leave to 40 days in 1960-61, 50 days the following school year and 60 days in 1962-63. The MFT is asking 70 days next year.

The teacher committee proposed a maximum of five days' emergency leave for an approved emergency, and the school district's counter proposal eliminated the establishment of a maximum number of days, and included the stipulation that any remuneration received by the involved teacher in the form of witness fees or from attorneys shall be deducted from the teacher's regular daily wages.

An MFT proposal calling for

Red Cross Storm Aid Reviewed

The American Red Cross aided 294 families with homes destroyed and 1298 families whose homes were damaged in recent tornadoes in eastern Oklahoma, Arkansas and Missouri, Henry D. Karandjef, chairman, reported to directors of the local Red Cross chapter at a monthly meeting Tuesday.

Fifty-five Red Cross workers were on the scene immediately after the first week of June, Karandjef reported. Sixteen hundred hot meals were served the first day and 3000 a day while the emergency continued. The toll included 32 dead, 146 hospitalized and 227 other injuries.

The annual dinner meeting of the chapter was set tentatively for the first week of June, Karandjef explained. Barry Lomax, chairman and Floyd Mitchell, Red Cross unit reported assistant members of a committee to plan the annual meeting and to nominate directors and officers.

Fred Plebanek, Mrs. Otto Grosse and Mrs. Harry Epstein were appointed to a committee to draw up the annual budget. It was voted to retain C. J. Sasser and Co. to conduct an annual audit of the chapter's records.

Karandjef cited the Red Cross Endowment Fund as a suitable choice for bequests, and reported attending dedication ceremonies at Blackburn College, Carlinville, for a residence labor and financed by student labor and financed by Carl Graham of Granite City. The building is estimated to be worth \$250,000 to \$300,000, he reported.

Mrs. Overbeck reviewed Red Cross participation in the Granite City civil defense alert this month, and the Madison Junior Red Cross unit reported assisting in a Madison natural disaster alert as well as visiting the Madison orphanage. In other Junior Red Cross activities, Venice students have visited Hospice Nursing Home residents and other elderly persons, prepared boxes for children's hospital, and donated to the inaugural dance for May 20, and Granite City members have visited the Scott Air Force Base Hospital.

Mrs. Grosse reported that blood derivatives are available free from the Red Cross for emergency use throughout the United States. She discussed the next budget, and reported direct expenditures of \$923 in April and \$8972 during the first three months of the 1959-60 year. April disbursements totaled \$1128.

A monthly home service report showed 98 contacts, including 24 with Engineer Depot personnel. Loans for four persons totaled \$310. There were nine health-welfare cases, eight emergency loans, two leave extensions, 36 other requests, eight counseling cases, eight miscellaneous contacts and 13 information cards.

Dr. Reports Crash

John Nason, 41, of 2927 Washington avenue, reported to Granite City police that as he was driving west on 29th street about 11 p.m. Tuesday his auto side-swiped a car parked on the north side of the street between Iowa and Madison avenues. Nason said he drove home to get a flashlight and pencil and when he returned to the crash scene the other car was gone.

The Intermediate Sunday school class of the Venice Methodist Church this week completed plans for a bake sale Saturday morning to raise funds for purchase new Bibles for the class.

Neil Ebersoldt left Sunday evening to return to Southern Illinois University, Carbondale, after visiting his parents, Mr. and Mrs. William Ebersoldt, 804 Third street. Other guests Sunday at a family dinner were Mr. and Mrs. Robert Stoff of Edwardsville, Mrs. Luella Loeschner and Miss Hilda Hurn of St. Louis and the hosts' other son, Jim Ebersoldt.

Mr. and Mrs. Keith Dillman and children, Keith Jr. and Billy, of Greenville, Ill., were guests Sunday at the home of Mr. and Mrs. Craig Dillman and family, 419 Lincoln avenue.

Albert Harden, 1212 Robin street, entered the Missouri Pacific Hospital Monday and will undergo a series of tests.

Mr. and Mrs. Floyd Painter, 121 Granville street, Mr. and Mrs. Ralph Painter, 422 Lincoln avenue, and Mr. and Mrs. William Ohendorf, 632 Washington avenue, returned home Monday after spending the weekend at the Ohendorf club-house in Grafton.

John Lloyd Miller, 14-day-old son of Mr. and Mrs. James Miller, 207 Abbott street, was christened Sunday morning following the 11 o'clock mass at St. Mary's church, with Rev. Robert C. McCarty officiating. Sponsors were Mr. and Mrs. Peter Fields, 212 Abbott street.

Approximately 42 Sunday school members attended a chili supper held Tuesday evening at the Venice Methodist Church basement. Hosts were members of the joint team of a Sunday school contest held recently at the church.

Lions Plan Election, Festival, Excursion

A chicken dinner was served to members of the Venice Lions club prior to their meeting Monday evening at the Venice-Madison American Legion Home. Charles Simmons, president, was in charge of the business session and plans were completed for a "Venice Day" boat excursion July 31.

Further discussion was held on the festival to be given jointly with the Venice Junior Service club at Lee Park June 10-12. Boelling will be in charge of the refreshment stand.

A meeting with the Junior Service club festival chairman will be held May 17 at 7:30 p.m. at the city hall. There will be an election of officers at the next regular meeting May 23.

Sgt. Millapp In Joint Exercise At Fort Briggs Staff Sgt. Donald C. Millapp of Madison is one of the Pope Air Base, N. C. personnel who will participate in the Joint Air Force Training exercise, Towers Moon, in the Fort Briggs, N. C. May 2-11.

The 30-year-old sergeant, son of Mr. and Mrs. John S. Millapp, 614 Grand avenue, is flight engineer on a C-123 "Provider" of the 46th Troop Carrier Wing's 36th Squadron. His 11 years of Air Force service have included duty in Korea, Japan and Tripoli.

A graduate of Madison high school, Millapp and his wife, Mary Lou Worley of Alamo, N. M., and they have a daughter, Donna Ann, and two sons, Jerry Lynn and Donald Jr. More than 100 Tactical Air Force aircraft and 10,000 Strategic Air Corps troops are engaged in the training in interservice coordination and support.

Motorist In Crash

A charge of following too closely was placed on the driver of a 1958 Chevrolet, E. Cell, 19, of 2675 Grand avenue, who was issued an arrest warrant Tuesday afternoon after being involved in an accident in the 2400 block of Madison avenue. Cell crashed into the rear of a southbound auto of Arley Phillips, 68, of 2421 Madison avenue, who was making a right turn into the driveway of his home.

The report stated that Cell's auto skidded 60 feet on the wet pavement before hitting the right side of Phillips' car. No injuries were listed.

Mother Of Mrs. Bertha

Funeral services were held at p.m. Tuesday at Millers Chapel Church in Lutesville, Mo., for Mrs. Nora Bollinger, 79, who died of a heart attack in her home near Lutesville at 3 p.m. Saturday. She is the mother of Mrs. Bertha Ward and grandmother of Mrs. Floyd Myers both of Granite City, who attended the funeral.

Mrs. Bollinger was a native of the Lutesville area and was active in church work at Millers Chapel Church. She also survived by a son, another daughter, a brother and four sisters. Interment was in the church cemetery.

Speeding Arrest

Richard E. Riddle, 17, of 4061 Lake drive, was issued an arrest ticket at 22nd street and Madison avenue Wednesday evening by Granite City police on a charge of speeding. He posted his driver's license as bond.

WSCS Meeting Features Candles

"Lighting The Rainbow Candles" was the theme of the meeting Tuesday evening of the Women's Society of Christian Service of Niedringhaus Memorial Methodist Church in the all-purpose room of the church.

The program was in connection with a pledge service and six candles in rainbow colors were lighted. Those assisting in the service were Mrs. Ethel Lerch, Mrs. Corinne Hinson, Mrs. Ethel Marie West, Mrs. Mildred Danner, Mrs. Christine Barron and Mrs. Dolores Vogeler.

Mrs. Edith Schell presided at the piano, and a short memorial service was held for a deceased member, Mrs. Emma Sauer, Miss Gladys Gibson read the Scripture lesson and Miss Anna Mohr sang "Beyond The Sunset," accompanied by Mrs. Schell.

After the service, a past president's pin was presented to Mrs. Hinson by Miss Ella Ray Smith on behalf of the WSCS. Plans were made at the meeting for an installation service for the new officers May 22 at 10:30 a.m.

Mrs. ROBERT F. FARE, whose marriage took place Saturday at St. Mary's Catholic Church in Madison, A daughter of Mr. and Mrs. Peter P. Koleta, 918 Reynolds street, Madison, the bride is the former Mary Ann Koleta.

The evening and refreshments were served by Mesdames Virginia Wolfe, Elizabeth Briggs, Schell, Edith McCasland, Hinson, Letitia Gilchoff and Misses present.

Eagles Auxiliary Elects, Mrs. Viola Carey President

An election of 1960-61 officers and an initiation ceremony for new members highlighted the meeting Tuesday evening of the Eagles Auxiliary, Unit 1126. The officers are Mrs. Viola Carey, president; Mrs. Helen Pregel, vice-president; Mrs. Dolores Schumate, chaplain; Mrs. Margaret Johnston, secretary; Mrs. Dottie Schupert, treasurer; Mrs. Mary Gwin, conductress; Mrs. Theresa Daigler, inside guard; Mrs. Mary Baker, outside guard; Mrs. Arline Mieraki, trustee for three years; Mrs. Sylvia Osepek, two-year trustee; and Mrs. Amelia Angelloff, trustee for one year.

Mrs. Norma Hemphill was named honorary Mother, and Mrs. Johnston, Mrs. Angie Buehler, and Miss Sylvia Roy were named delegates to the state convention in Moline June 23-25. Mrs. Lizzie Purkait was selected to represent the Auxiliary at the national convention. A joint public installation of the Aerie and Auxiliary will be held Saturday, June 11.

Mrs. Mary Brominski, the retiring president, was in charge and plans were made to attend a district meeting May 22 at East St. Louis.

An invitation was received from the Altos Auxiliary to an anniversary party May 26 and to an installation of officers June 5. Contributions were made to the Muscular Dystrophy Fund and to the Memorial Candles. Approximately 40 were present.

2 Brownie Troops Hold 'Fly-Up' Ceremony At Park

Girl Scout Troops 131 of Emerson school and 122 of Washington school met at Wilson Park for a "fly-up" and cook-out Tuesday.

A get-acquainted game opened the program and a flag ceremony followed. The girls then repeated the Girl Scout laws as they lighted candles for the candlelight ceremony. The Girl Scout promise was made and the girls presented the girls with their Girl Scout pins and their wings. Both troops were organized as second grade Brownies and have "flown up" to Intermediate Scouts.

A picnic lunch was enjoyed and hamburgers were cooked by the Scouts on "Buddy Burners." Games were played after supper and a new song was taught to Troop 122 by Troop 131. The program closed by singing "Taps."

Members of Troop 122 flying-up were Dolores Acosta, Jo Ann Bailey, Fay Baize, Pamela Blashoff, Maria Christakos, Bonnie Everett, Shirley Finn, Debbie Lerner, Helen Velfort and Roberta Rolan.

Troop 131 members taking part were Joanne Tavias, Kathy Crawford, Jo Ellen Booker, Mary Schildman, Linda Peterson, Susan Doty, Sandra Faith, June Fowler, Lessa Freedman, Peggy Jackson, Patricia Furrier, Vickie Ramsey, Beverly Ross and Susan McDonald.

Assisting the leaders, Mrs. Zoe Christakos and Mrs. Laura Travis, were Mrs. Josephine Bailey and Mrs. Lillian Crawford.

SOCIETY

Bertrams To Be Honored On 58th Anniversary

Mr. and Mrs. H. G. Bertram, 1334 Cleveland blvd., will celebrate their 58th wedding anniversary at a family party in their home Sunday.

The couple, residents of this city for the past 45 years, was married May 12, 1902, in Clayton, Mo. Mr. Bertram is 55 and his wife is 75.

They have a daughter, Mrs. Leone Bertram Guyton of East St. Louis, a son, Kenneth, of this city, five grandchildren and six great-grandchildren.

Before retiring about 10 years ago Mr. Bertram was a painter contractor.

Mrs. Bergrath Heads PTA At St. Mary's

Mrs. Dorothy Bergrath was elected president of St. Mary's Parent-Teacher Association at a monthly meeting Monday evening in the school cafeteria, with 29 members responding to roll call. Mrs. Leona Svezia, president, presided over the meeting.

Other officers elected for the new school term were: vice-president, Mrs. Ann Hermann; secretary, Mrs. Betty Dobrowski; assistant secretary, Mrs. Delphine Tulk; treasurer, Mrs. Louise Papa; and chaplain, Mrs. Betty Bulva.

Anthony Ratkewicz showed films of Kluksu league baseball teams and spoke of equipment for the boys of St. Mary's. The members voted to donate \$50 toward purchase of the equipment. Plans were made for the school picnic for boys and girls of St. Mary's school May 22 at Wilson Park. Papers and tickets for the event will be sent home by each student. The game period, in which various grades will participate, will begin at 1:30 p.m. The school sisters will be present during the afternoon to assist with the children.

Members of the PTA volunteering their services for the picnic were: Mesdames Rose Schwertman, Louise Papa, Elsie Banaszak, Barbara Paskus, Ann Herman, Vera Sikors, Dorothy Bergrath, Elsie Kmetz, Wilma Owea, Martha Melby, Dell Wasylak, Cecil Matczak, Leona Svezia, Ann Lengyel, Lee Krpan, Betty Dobrowski, Betty Bulva, Helen Kulasek, Dorothy Kozelak, Joan Spahr, Mary Ann Bunk, Ann Grakolnik, Theresa Cochran, Genevieve Alchuch, Ann Loftus and a new member, Mrs. Betty McGunney, who was welcomed into the association at the meeting.

Fr. Engelbert Bielen gave a brief talk to the mothers pertaining to school matters and the picnic. The annual banquet held by the PTA members, invited guests and fathers of the church will be held June 13 at the Trailways restaurant.

The meeting was closed with prayer by Fr. Sylvester Mick. Refreshments were served by the retiring PTA officers, Mrs. Svezia, Mrs. Schwertman, Mrs. Krpan, Mrs. Owea, Mrs. Paskus and Mrs. Spahr.

East 23rd PTA Picnic June 3

Plans for the annual school picnic were made and the date was set for June 3 at Wilson Park at a monthly meeting of the East 23rd street school Parent - Teacher Association Tuesday night. The time was set for 2 to 4 p.m.

The meeting was opened with the pledge of allegiance. Mrs. Lucille Caban, president, presented a report on the state convention she attended in Peoria.

The program was given by the McKinley division band under the direction of Frank Meyer of the band department of Granite City grade schools. The band presented a number of selections, including "Cowboy Song," "Old McDonald," "This Old Man," "Coming Around the Mountain" and "Beginners' Chorus." Also on the program was the Mothersingers' choral group, which presented a vocal program including "He'll Be a Wish I Were," with Owen Humphrey as director.

Mrs. Kamm reported on a recent chili supper and Mrs. Page on black pepper sales, which will be used to purchase a coffeemaker.

Principal Leland Bartley announced details on rainwater unit is to buy for the safety patrol boys. The attendance award was presented to Mrs. Eleanor Bonatti's fifth grade class for the highest percentage of parents present.

The evening concluded with social time, and refreshments were served by the third and fourth grade room mothers.

DONALD THOMPSON IS SHU HONOR STUDENT
Donald M. Thompson, eldest son of Mr. and Mrs. Malcolm A. Thompson, 4179 Brookridge lane, has been selected as an honor student for Honors Day, May 19, at Southern Illinois University, Carbondale. He also has been invited to join Phi Beta Kappa, national honor fraternity.
A top junior, he is a psychology major.

CELEBRATING ANNIVERSARY, Mr. and Mrs. H. G. Bertram, 1334 Cleveland blvd., who will observe 58 years of marriage with a family celebration in their home Sunday.

26th Annual Madison Jr. Service Club Installation

The twenty-sixth annual installation of officers of the Madison Junior Service Club was held Tuesday evening at Augustine's in Belleville. The invocation was given by Mrs. Louise Lewis, and dinner was served in the patio room to members and invited guests.

The tables were decorated in white, with crystal bud vases of large pink daisies and greenery. The head table was centered with a large low centerpiece of the same daisies, and the dinner was served by candlelight.

The program began with a welcome by the retiring president, Mrs. Mary Stanfill. Mrs. L. C. Harlan was introduced as club sponsor, with Mrs. Marion Fogle, a member of the Madison Literary club, as the speaker for the evening.

Mrs. Harlan thanked the club for a tropical fish book presented at the Madison public library, of which she is the board president. She also thanked the members for reading during the summer months to small children attending library "story hours."

They will volunteer their services at the library again during June for the annual story hour series.

Seated at the head table with the retiring officers, the new president, Mrs. Shirley Rapoff, and Mrs. Harlan and Mrs. Fogle were Mrs. Kathryn Hildebrand, president of the Federation of Junior Service Clubs and a member of the Venice Junior Service club, and her guest, Mrs. Jackie Leatherman, also of the Venice club.

Mrs. Stanfill gave a resume of the past year's activities, making a note of the club's reading at the Madison library, the Fourth of July celebration and silver anniversary tea held in October, a social in November, the Christmas party, work at a mobile x-ray unit at Madison high school, a bake sale and the federation dinner dance held recently, from which proceeds will go to aid mentally retarded children.

Mrs. Stanfill presented Mrs. Loretta Hylle, Mrs. Harlan presented Mrs. Stanfill and Mrs. Rapoff with gifts. At the conclusion of the program, Mrs. Ellen Huelskamp, acting installing officer, who is a past president and now a sustaining member, began the ceremony. Mrs. Delpa presented each new officer to the installing officer, naming her office.

Besides Mrs. Rapoff as president, the officers are Mrs. Dela-joyce Rhoads, first vice president; Mrs. Julia Voloski, second vice president; Mrs. Josephine Gensoff, third vice president; Mrs. Jeanette Tyrant, recording secretary; Mrs. Evelyn Blatner, corresponding secretary; Mrs. Charlene Burns, treasurer; board members, Mrs. Helen Daley, Mrs. Georgia Wagoner, Mrs. Hilda Gravelle; and Mrs. Ruth Nicholas, federation officer.

New members welcomed into the club were Mrs. Loretta Hylle, Mrs. Albert Mikolajuk and Mrs. Doris Patterson. Mrs. Clem-na Mae Vaughn and Miss Janet Crnkovich, new candlelighters for the occasion. Past presidents of the club were introduced.

MISS MARY ANN MIKULAS, whose engagement to Donald L. Gargac, a son of Mr. and Mrs. Stephen Gargac sr., 4560 Edwardsville road, is announced by her parents, Mr. and Mrs. Paul Mikulas sr. An autumn wedding is planned by the couple.

MRS. RAY BOVETT HOSTESS FOR CLASS
The Fidei's Class of Third Baptist Church met Tuesday in the home of Mrs. Ray Boyett on Ralph street.

Mrs. Allie Smith opened the meeting with prayer and Mrs. Ted Graham, president, conducted the business session. Plans were made by the group to send \$5 to the Carmi, Ill., Orphanage and devotions were led by Mrs. Boyett.

The members responded to roll call with Bible verses, and a "white elephant" gift exchange was held during the social hour. Refreshments were served to eight members and a guest, Mrs. Lena Scarborough.

No one has ever identified the wise man who said: "Some people tell us there ain't no hell. But they never farmed, so how can they tell."

Stuffed Sweet Potatoes

3 medium sized potatoes
1 tablespoon butter
1/2 teaspoon salt

1 tablespoon cream
1/2 cup drained crushed pineapple
6 marshmallows

Bake potatoes, cut in halves, scoop out most of the contents. Mash thoroughly, season with butter, salt, cream, and pineapple. Fill the shell. Stir marshmallows and stuff with mixture. Place one on top of each half potato.

Baste with pineapple juice rapidly boiled for a minute. Brown.

Sweet Potato Whip
6 sweet potatoes
3 tablespoons melted butter
Cream
3 tablespoons brown sugar
3 eggs
1/2 cup whole nut meats

Cook potatoes and mash. Add well beaten egg yolks and enough cream to make whipping easy. Add the butter, brown sugar and a pinch of salt. Beat it thoroughly until mixture is fluffy, then add the nut meats.

Whip egg whites stiff and fold into mixture. Put into buttered baking dish, sprinkle with nuts and bake 30 minutes in a moderate oven.

Board members present were Richard Ramsey, Mrs. Edward Stagle, Mrs. John Koester, Humphrey, Mrs. Derwood Bono, Mrs. John Jenkins, Mrs. Irma Rutledge, Mrs. Pat Welch, Mrs. Robert Stone and Mrs. Jacqueline Cooper.

Ray Durbin, 1644 Venice avenue, has been appointed distributor for Merile Industries in the St. Louis area. The firm manufactures fire and burglar alarms and has 20 fire extinguishers for the home.

Concealed Knife Charge

William Kelly, 54, of 818 Jackson street, West Madison, was arrested by Venice police at 8 p.m. Monday at the K Bar tavern on charges of carrying a concealed knife and being drunk and disorderly. He was released on a property bond until a hearing Saturday.

Two Forfeit Bonds

Cash bonds were forfeited at two hearings scheduled for Monday evening in the court of Venice Police Magistrate Wesley Edwards. Donald W. Costa, Caseyville, Ill., was assessed \$50 on a proving charge filed on a property bond and Donald McCann, Overland, Mo., was assessed \$12 on a May 7 disorderly conduct charge.

A BUYER PONDERS AND CONFESSES

Charles Peake, our head canned goods buyer was talking about his job the other day. He said that from morning to night, salesmen are waiting to sell him their products. He added that he can buy anything for a price, except one thing. It is that great intangible, GOODWILL. This priceless possession must be earned. It is an asset that can be set up by auditors on a company's books. It is an asset that can be created by little things, such as a checker's smile, a clean store, a well-handled order, an honest answer, a truthful newspaper advertisement. Any one can earn it, no one has a monopoly on it. Without it, we would be helpless. We think that we have earned the goodwill of this area in serving three generations of families. We thank you for your continued support and hope we'll be able to serve three more generations.

Farm Column

By TRUMAN W. MAY
Madison County Farm Adviser

Farmers will soon be applying pre-emergence herbicides to corn and soybean fields, to control weeds and grass in the rows. Since most of these herbicides will be widely available this year in both liquid and granular form, farmers will have to decide which to use. Here are some pointers that may help make this decision.

In general, the granular forms are about equal to the liquid in effectiveness, with the exception of 2,4-D. Granular 2,4-D should be applied at the rate of 2 pounds of actual acid per acre, while the rate for the liquid form is 1½ pounds per acre.

Granular herbicides can be obtained in bags or drums. If the farmer is handling fertilizer and seed in bags, he may prefer to have the herbicide in bags also. Granulars do not need mixing with water and do not require complicated spray equipment. They drift less with the wind and may be less irritating to the skin than liquids. There is less hauling because no water is needed.

On the other hand, granular herbicides require more storage space and more handling than sprays. Because of formulation, shipping, and storage requirements, granular herbicides are more expensive than the liquid form per pound of active ingredient. The average cost of granular materials is about 70 cents to a dollar an acre more than the liquid.

Granular herbicides need special equipment for application. In 1960, several manufacturers will have granular applicators available in quantity.

A farmer who is already equipped for spraying, should check prices of materials and equipment carefully, and be sure that the change is economically sound before converting from liquid to granular equipment.

A leisurely walk through the woods may be fine for people, but it could mean lower production, sickness or even death for cattle.

Greatest risk for cattle or sheep feeding on timber pasture comes from poisonous plants. Jack-in-the-pulpit, pokeweed, Dutchman's breeches, white snakeroot, oak leaves and acorns, black locust, buckeye and wild cherry are only a few plants that can harm cattle.

These plants make woodland grazing dangerous, and the benefits of a few means worth the risk.

Iowa researchers found that it takes 30 acres of woods to feed a single cow for six months. Wisconsin researchers showed that 40 acres of timber pasture will not yield as much forage as four acres of open, improved pasture.

The disheartening thing is that the timber farmer no better than the livestock. Grazing promotes soil and water losses, destroys food and cover for most wildlife, and slashes timber production to a minimum.

Farmers planning to use soil insecticide on corn fields are asking about the best way to apply them. Three common methods are spraying broadcast over the entire field, applying in the rows at planting time, and using fertilizer treated with the insecticide.

Results from the broadcast treatment are by far the most effective, and we recommend it in preference to the other two. Numerous tests conducted over the state last year, gave much better control with broadcast. The material should be applied shortly before planting and thoroughly disked in. Some farmers have sprayers mounted on disks, and spray and disk at one operation.

Only about a fourth of our cornfields escape yield losses of less than 3 bushels an acre, because of soil insects. Treatment gives excellent results, if properly done.

We have discussed this subject several times in this column. Let us know if you want more information.

A horse-drawn variety test plot was planted recently on the farm of Ivan Releke of Nameoki township, under the supervision of Norman Oebler, vegetable specialist, University of Illinois.

Now is the time to spray wheat fields with 2,4-D to reduce damage by wild onion and wild garlic. Spray before the wheat plants start to make boot. Use a half pound of actual 2,4-D acid per acre, in enough water to cover. If clover is seeded in the wheat, use not more than a quarter pound of 2,4-D to avoid injury to the clover.

Among the first farmers having soil samples tested in the county laboratory with the new tests for acidity and phosphorus, were Richard Givio, Eldon Grotenfeldt, Ralph Beckman, Othman Geiger, Ervin Loyel, Albert Luehn and Merle Hansel. Several hundred samples have been received at the laboratory during the past two weeks, and are being tested.

Grinding farm grains for dairy cows usually increases their feeding value by 15 to 20 percent. For best results, grind grains to a medium fineness. Rolled or crushed grains have about the same feeding value as ground grains.

A number of farmers respond-

ed to our requests for reports of hay and straw for sale. Let us know if you want to buy, and our office will give you names of farmers having some to sell.

Tests of a new insecticide called Sevin, to control earworms in sweet corn, will be made by Watson Roush, Victor

Eckmann, William Bruns and Son, H. J. Landwehrmeier and George Powell. These farmers are commercial sweet corn growers in Collinsville and Nameoki townships.

Ask your farm adviser for the leaflet, "1960 Beef Cattle Feeding Suggestions." It contains the latest information on developments in beef cattle feeding, such as silage, antibiotics, urea and so forth.

Another new leaflet is the Illinois Vegetable Garden Guide, circular 815. It replaces the previous garden guide, issued annually. The new circular has more information about the various common vegetables, new varieties, soil management and fertilizer for gardens, control of weeds, insects and diseases, along with many practical suggestions for the home gardener. Let us know if you want a copy.

Tests of soil insecticides with soybeans will be conducted this year by Walter Steiner, Leaf township; James Winet, Saline and Garden Groves, Chouteau. Soil insects especially root worms, have been damaging soybeans in recent years. Some tests last year indicated benefits from soil

treatment, with yield increases about 2 bushels per acre. The worms are most common in soybeans following red clover.

HISTORY REPEATS
Successful men learned early in life to gauge the future by what has happened in the past before storing.

Moths are not attracted to man-made fibers but they like certain types of soil. Even if a garment is to be stored in a wood, be sure to have it cleaned what has happened in the past before storing.

MOTHER-DAUGHTER DINNER

A Junior and Intermediate Girls Auxiliary mother-and-daughter banquet was held Tuesday evening at the Second Baptist Church, with approximately 65 present.

Officers and guests introduced were Mrs. Evelyn Smith, leader; Mrs. May Betts and Mrs. Dorothy Barnes, junior counselors; Mrs. Maxine Smith and Mrs. Louise Mitchell, intermediate counselors; and Mrs. Esther Showers and Mrs. Nellie Roger.

A play was presented by Mrs. Evelyn Smith and Mrs. Barnes, and pictures of the Holy Land were shown by a guest, Mrs. Jackson Maples. Awards were presented to Karen Farley, Bonnie Fennell, Linda Anderson, Phyllis Smith, Pat Davis, Evelyn Barnes, Charlotte Davis and Nancy Wigger. Mrs. Evelyn Smith offered prayer.

NEW AUXILIARY ELECTS

The newly-organized auxiliary of Amvet Post 187 held its first meeting Tuesday evening at the fire house on Pontoon road. Officers elected were Mrs. Ruth Schmidt, president; Mrs. Marie Friese, senior vice-president; Mrs. Jo Ann Matyas, junior vice-president; Mrs. Etta Rutherford, treasurer; and Mrs. Betty Dunscomb, secretary.

Ladies wishing to become members of the group may contact any of the officers, it was announced. The next meeting will be held May 17, and the location has not been selected.

NAOMI CIRCLE MEETS

The Naomi Circle of Second Baptist Church met Tuesday evening at the home of Mrs. Marjorie Fannell, 2222 Wabash avenue. Mrs. Betty Lewis was director of a program, "Missions Organizations." Those taking part were Mrs. Pannell, Mrs. Isabelle Burnett, Mrs. Julia Penrod, Mrs. Helen Peterson and Mrs. Beulah Ruth Voorhees.

Others present were Mesdames Marjorie Roger, Nadine Frith, Lucille Thomason and Maxine Smith. Mrs. Smith assisted in serving.

MOTHER'S DAY REUNION

A Mother's Day reunion was held Sunday at the home of Mrs. Anna Byland 2119 Missouri avenue, in her honor. A dinner was served, and the remainder of the day was spent socially. Mrs. Byland was presented with gifts. Those present were Mr. and Mrs. Jack McNish and children of Roxana, Mr. and Mrs. Joe Minckmeyer and grandson of St. Louis and Mr. and Mrs. Robert Ferguson and daughter.

MEET WITH MRS. GARIN

The Fidelis class met Tuesday evening with Mrs. Mildred Garin. Scripture was read by Mesdames Garin, Naomi Burnett, Ursula Woodward, Mina Pitchford, Cora Miller and Lena Stephens, the class president. Mrs. Miller conducted a Bible quiz, and prayers were offered by Mrs. Pitchford and Mrs. Garin. A luncheon was served. Mrs. Stephens will be hostess for the next meeting, when birthdays will be celebrated.

Lloyd Spencer Primary Sunbeams met Tuesday afternoon at Second Baptist Church. Origin Of Music Topic

Of Program In Madison

Lloyd L. Coon, safety deposit officer of the Security-Mutual Bank of St. Louis, entertained Madison Rotarians yesterday with a program on the "Origin of Certain Phases of Music." Illustrating his talk with frequent piano demonstrations, the Webster Groves Presbyterian Church organist emphasized the value of piano lessons for persons interested in all phases of music.

A vocal solo was presented by Mrs. Coon. Their daughter-in-law, Mrs. Jack Coon, who is the daughter of Madison Postmaster Harry R. Johnson, also attended the luncheon meeting. Johnson served as program chairman, and his birthday club.

Cars Damaged In Crash

Both cars were damaged in a collision at 10:45 a.m. Wednesday on Madison avenue at Eighth street. Nicholas Volmer, 56, of 2721 Washington avenue was backing west out of a parking lot and James E. Taylor, 60, of 2921 Pershing avenue was driving north on Madison avenue.

wedding anniversary were recognized. Plans were discussed for installation of officers at a dinner next month.

The Rotary club voted to sponsor a team in the Madison Khoury boys' baseball league again this year. It was announced that Harvey Hieken is taking a leave of absence from the club.

Buys Pickup Truck

Purchase of a half-ton pickup truck for hauling supplies was approved last night by Granite City park district commissioners. The truck is being bought from Matthews Chevrolet Co. on its low bid of \$1539.

Other bidders and their prices were: B. E. Hohl, Inc., \$1588; Chicago Motor Co., \$1698; Bremer Motor Co., \$1650; Farrington Auto Sales, prices on three makes, \$1630, \$1688 and \$1650.

Also approved were the purchase of two Jacobson power mowers, a large model for \$305, less \$200 trade-in, and \$75 for a smaller 18-inch mower to be used in the Wilson Park gardens.

A 55-foot flagpole, to be erected at the center of the four baseball diamonds, has been donated to the district by Union Star & Refining Co. and will be soon set in place. It was reported during the meeting, and the commissioners decided to have a five-foot fence placed around the outfield of the Wilson Park softball diamond.

Park Supt. O. H. Williams informed the commissioners that 90% of the fill needed for the Wilson Park area tract has been dumped and spread and that more dirt is being supplied by local contracting firms.

Paul Kratz was interviewed for the position of manager of the Wilson Park pool during the summer and a decision is to be reached within a week.

Park Atty. Randall Robertson was authorized to confer with the summer and a decision is to be reached within a week.

PLAN SCHOOL PICNIC

The Marshall school Parent-Teacher Association, executive board met Monday at the school. A discussion was conducted on the annual school picnic, and Mrs. Loretta Rose, treasurer, announced that an estimated \$50 to \$75 will be spent on the picnic. More volunteers are needed.

Mrs. Paul Welsh reported that an average of \$150 a week had been received on the thrift savings stamp program which will end on May 31. Mrs. Doris Mann of the moral decency committee reported that this is the last week for meetings.

The regular PTA meeting will be held on Monday, Lieut. Moore of the Granite City police department will speak to the safety patrol boys on safety, and the program will include a fathers' band, the Phoney Aires, from East St. Louis. Paul Welsh will report on the convention he attended in Peoria, and offering room mothers will serve refreshments.

Others taking part were Jim Hasty, Mrs. Sue Lewis, Mrs. Kathleen Tadlock, Mrs. Ruth Lehn, Mrs. Nettie Boone, Miss Eleanor Waddington, Mrs. Louise Provence and Principal Mary Hopkins.

BIBLE STUDY PROGRAM

"A Directed Bible Study," with Mrs. Lillie Lear in charge, was the theme for the program of the Women's Missionary Society of Good Shepherd Evangelical United Brethren Church on National avenue Monday.

Mrs. Virginia Ralvater opened the meeting by offering a prayer. Mrs. Lear presided over a business session and Mrs. Janice Ricker and Mrs. Nancy Ford presented reports. Mrs. Ralvater and Mrs. Margaret Dawdy led a discussion on a bake sale to be held on

Coolidge Band To Give Annual Spring Concert

Coolidge junior high school's 8-piece band, under the direction of Robert Dan Tidford, will present its fourth annual free spring concert at 8 p.m. Tuesday in the senior high school auditorium.

In addition to the band's selections, Frank Meyer, elementary band director of the McKinley division band in Granite City, will present a piano solo. Joy Strotheide, ninth grader, will give a snare drum solo and several selections will be performed by the 10-member Coolidge Latin-American rhythm ensemble.

The band will present the Fiesta Flambeau March, Mozart Festival excerpts from Briga-doon, Milli Attan, the National folk dance of Afghanistan, Clarinet Escapade, Gypsy Love Song, Beguine Festival and All-American Campus, a collection of famous college school songs.

Stage settings will be under the direction of E. L. Alassi, high school art director.

Saturday. The proceeds will send the president, Mrs. Wanda Talley, to the state convention in Geneseo, Ill.

Mrs. Ruby Bartley was the hostess of the month and served refreshments to the above and Mrs. Margaret Miller, Mrs. Jessie Drury and two guests, Mrs. Barbara Hesselndenz and Mrs. Edith Anderson. The next meeting will be June 13.

Den One of Cub Pack 122 met

in the home of Mrs. Beverly Singleton, 2812 Edgewood avenue, Tuesday. The pledge of allegiance was given by Rex Buzan, Steve and Larry Harris, Mike, Mayes, Steve Killian, Bruce Jones and Keith Rodgers.

Dinner stripes were presented to Steve Harris and assistant dinner stripes to Rex Buzan, Plastic napkin holders were completed. Games were enjoyed, and a den yell was decided upon. Mrs. Jean Harris served refreshments, and the meeting closed with the scout promise.

Girl Scout Council Names Fall Convention Delegates

Four delegates to the Girl Scout national convention, which will be held in St. Louis in November, were appointed by the Tri-City Girl Scout Council during its regular monthly meeting Monday night at local Girl Scout headquarters, 1415 Niedringhaus avenue.

They are council president, Mrs. Esther Zimmer; Mrs. Rose Henderson, Mrs. Judy Sille and Mrs. Mary Massman. Alternates named were Mrs. Lillian Delpe, Mrs. Dolores Eubanks, Mrs. Shirley Brown and Mrs. Margaret McCalla.

A report also was received on established camping this summer at Camp Outagoua in Pere Marquette state park, which will be attended by 12 Girl Scouts from the four local neighborhoods, some the week of June 11-18, the remainder of the week of June 18-25.

A total of 192 girls from the Tri-City Council have made reservations for the camp. The council divided neighborhood representation proportionately, with 16% of the campers from Neighborhood No. 1, 26% from No. 2, 42% from No. 3 and 16% from No. 4.

As was announced that Girl Scouts planning to attend the council's day camp, to be held at Camp Lakota near Glen Carbon for four weeks in July, may begin registering in person at the Tri-City Council office on May 23.

Information on the camp is being mailed to the individual Girl Scouts; it was reported, and the council does not plan to set a limit on the number of girls who may attend at this time. One week at the camp is to be reserved for each local neighborhood.

the stickup. James Smith, proprietor of the confectionery, recognized him as a frequent customer and tried to talk him out of it.

However, the boy, cocking the revolver he was carrying, demanded Smith hand over the money in a paper bag and grabbed it and ran when two small girls entered the store.

Citius said he fled to State street where he hired a cab to take him across McKinley Bridge to St. Louis. Enroute, he threw the gun out of the taxi. It has not yet been found.

In St. Louis he took another cab to Union Station to catch a train for Omaha. He was told that trains were running late because of high water, and he left, hiring another cab to take him to a St. Louis bus depot where he caught a bus for Omaha.

While the boy was visiting relatives, his father telephoned and told them of the incident. The boy waived a preliminary hearing yesterday before Police Magistrate Gasparovic and was bound over to the grand jury.

About Half of Madison Auto Licenses Issued

Issuance of free Madison city auto license neared the half-way mark today, with the total reaching 966. About 2000 applications from Madison motorists are expected, and the deadline is July 1.

City Comptroller E. J. Miller said 66 truck licenses for 1960-61, about a third of the anticipated total, have been issued.

St. Louis Attorney Is NAACP Tea Speaker

St. Louis attorney Robert E. Witherspoon will be the speaker at a tea sponsored by the local branch of the National Association for the Advancement of Colored People Sunday from 3 to 7 p.m. at the West Nudislin Memorial Center, Third street and Washington avenue, Hugh Hainson, president of the local NAACP branch, said today.

Witherspoon will discuss the May 17, 1954, U. S. Supreme Court decision calling for integration of public schools. The

tea is being held in commemoration of that event, Hainson said. Mrs. Gertrude Young is in charge of arrangements for the event.

Preparation Of Venice Tax Bills In Progress

Preparation of Venice township tax bills is underway at the home of Collector Frank Reidelberger Jr., who reported today that no date has been set for the start of collections.

Tax payments are to be received in an office building in the 1400 block of Third street, but the collector's staff has not yet occupied the building.

A stone, 8 unit of weight used in the British Isles, is equal to 14 pounds.

Suffocation Cause of Steelworker's Death

Suffocation caused the accidental May 1st death of Granite City Steel Co. employee John E. Chinault, 25, of Collinsville. It was ruled during an inquest conducted by Deputy Coroner Henry Pieper last night.

Chinault, who was assisting the loading of steel on a barge at the company's Chain-O-Rocks canal loading dock, was pinned against the wall of the

barge when a stack of the loaded steel shifted after it was struck by a piece of steel which fell off the loading crane. Not a bone was broken in his body but the four tons of steel pressing against his body prevented him from being able to expand his lungs, the jury ruled.

In another case, the sudden death of Mrs. Fanny Daugherty, 63, of Buffalo, N. Y., was caused by a heart attack, the jury ruled. Mrs. Daugherty was on a train enroute from Arkansas to her home on April 25

Fete GCHS 'May Bouquet' Queen Tonight, Tomorrow

Miss Diana Ferro, senior at Granite City high school and the daughter of Mr. and Mrs. Peter Ferro of Rural Route One, will be crowned May Queen tonight and tomorrow evening as part of a "May Bouquet" program to be presented by the high school girls' physical education department on both evenings.

Miss Carol Wood, retiring May Queen, will present the crown to Miss Ferro, whose attendants are Miss Margaret Ann Holland, daughter of Mr. and Mrs. James Holland of 2544 State street; and Miss Freelyn Arbeliter, daughter of Mr. and Mrs. Freeman Arbeliter of 2216 Woodlawn avenue.

The coronation ceremonies will follow a procession and a number entitled "morning exercises," to be performed by members of the junior and sophomore girls' physical education classes on the stage of the GCHS auditorium.

Following the coronation, 19 numbers will be presented by the PE students, who will carry out the "May Bouquet" theme by dressing in costumes to represent various spring flowers.

The May Queen and her attendants were nominated by members of the senior class and elected by the student body. All are seniors. The two productions are planned and staged by the GCHS girls' physical education department under the direction of Miss Dorothy Mitchell.

Tickets for the event are priced at 75 cents each, and may be obtained after school hours in the girls' PE office or at the door tonight and tomorrow. Proceeds are to finance girls' PE activities.

Health Committee Meets On County Dept. Question

Whether or not the question of establishing a health department in Madison county will be placed on the November referendum will be the topic for discussion at a meeting of the Madison County Public Health Council planning committee at the Granite City YMCA Monday at 8 p.m.

The Granite City meeting, open to all interested persons in the Quad City area, is one of four being conducted at various locations in the county Monday.

The county planning committee is urging that a full-time health department be organized within the county to provide extra protection against typhoid fever, food poisoning and a number of other serious and sometimes fatal diseases; through the sections and duties of such a department.

Thirty of the counties in Illinois have full-time or multiple county health departments, the planning committee pointed out, and added that in these areas children are doubly protected from preventable diseases of childhood, since other children receive equal protection from the county health department.

At its last meeting in Granite City, the health planning committee decided to meet six months prior to the date of the November elections in order to have time enough to take the necessary steps to include a Madison county health department proposal on the ballot, should the committee so decide.

Dr. Felicia D. Koch of Granite City is acting chairman of the Madison County Public Health Council planning committee.

TWO ON TOUR OF EAST
Miss Myrna Regina Essenspreis, daughter of Mr. and Mrs. Maynard Essenspreis 713 Broadway, was among the 68 seniors from Notre Dame Academy who left Sunday for a week's tour of Washington, D. C., and New York City. Prior to her departure, a family dinner was held at the Essenspreis residence and she was presented with gifts.

A family keepsake, an unusual watch, which has been handed down through three generations, was given to her by her grandfather, John D. Zalmon, of Madison in honor of her forthcoming graduation. Others seated for the dinner were Mrs. Zarinoff and the hosts' son, Michael Essenspreis, Miss Jo Ann Blumenstock, daughter of Mr. and Mrs. Lloyd Blumenstock, 1218 Oriole street, also left on the tour.

C. Of C. Group To Discuss Political Campaigns

The "political campaign" will be the topic of next Monday morning's workshop session in the Tri-Cities Chamber of Commerce action course in Practical Politics, it was learned today from the moderator, John McBride, vice-president and general manager of Union Sphar & Refining Co.

The session will open at 7:30 a.m. in the C. of C. office, and the phases of political campaigns to be discussed are—purpose, organization, financing, election day work, issues and follow-through.

Speeding Charge

A charge of speeding was placed against Ronald C. Jarrett, 18, of 2125 Nevada street, who was issued an arrest ticket at 27th and Benton streets Monday afternoon by Granite City police. He posted his driver's license as bond.

Coolidge Teacher To Attend Math Institute

Mrs. Alene H. Reeves, 2161 Benton street, a mathematics teacher at Coolidge Junior high school, is one of 63 junior high and high school teachers from the United States chosen to attend a summer mathematics institute free of charge at Northwestern University, Evanston, Ill. The June 18-August 13 program is being financed by a National Science Foundation grant for the second year.

Designed to strengthen the subject-matter competence of mathematics teachers, the training is part of a broad national program which this year will include 381 institutes for 18,000 secondary and college teachers of mathematics, the sciences and engineering.

The 63, who come from 23 states, were selected from 500 applications. Each will receive a weekly stipend, free tuition and allowances for dependents and travel to Evanston. Preference was given to those with two years teaching experience, a year of college calculus and high recommendations by administrators and supervisors.

Record 11,240 Daily McKinley Traffic In April

Despite current repairs and remodeling, traffic over the McKinley Bridge set a new record in April with a daily average of 11,240 vehicles.

The total for the 30-day month was 337,212, just short of the record 340,250 vehicles in the 31-day month of December 1959. The December daily average was 10,977, high mark until the April figure.

As tabulated by the city of Venice, owner of the bridge since Nov. 21, 1958, traffic totaled 76,885 in the week of April 1-7, 78,528 on April 8-14, 77,085 on April 15-21, 80,842 on April 22-28 and 23,972 on the final two days, April 29-30.

The 80,842 vehicles in the week of April 22-28 set a new weekly record. Two weeks earlier, the 78,528 mark also topped the previous record of 78,519 set Dec. 15-21.

In commenting on the increase from monthly totals of 318,645 in March, 305,905 in February and 292,308 in January, Mayor John E. Lee said he believes motorists will be patient and understanding of the problems resulting from the remodeling program, since they know that the city is acting to improve the condition of the bridge.

A million-dollar remodeling program began this spring and will result in smooth traffic surfaces as well as four lanes being open along the entire length of the bridge. There will be six toll lanes at a plaza to be constructed on Main street.

Some of the existing traffic lanes are being blocked off while structural and surface changes are made.

Granite City Nine Wins District Title, Tops Madison to Gain Finals

Collinsville's sports fans will long remember 1960 as the year of frustration when their high school's basketball and baseball teams, each slated for statewide glory, ran into a school that calls its teams the warriors.

On Tuesday afternoon in the Madison district baseball tournament finale, Harry Smith's bases-loaded triple in the eighth inning gave Granite City a 4-1 victory over Collinsville, thus eliminating the Kahoks from state championship competition for the second time in two months.

In March, the sport was basketball as the Redmen upset the state title favorite, Collinsville, in the regional final. In both sports, the Kahoks had dumped Granite City in regular season play enroute to a Southwestern Conference championship.

Ironically, Smith was also a member of the Warrior basketball team, and he sliced his triple into the right field corner off Collinsville Fitcher Fred Riddle, a member of the Kahok basketball team.

Ben Dillard opened the top of the eighth inning with a lined single to left field and advanced to second base when Bob Price laid down a perfect bunt along the first base line. Bob Hoffek then singled to right field and advanced to second when the outfielder's throw went to the plate, holding Dillard on third.

John Rains was walked intentionally to fill the bases before Smith produced his key hit, which scored Dillard, Hoffek and Rains.

The Warriors threatened in each of the three previous innings but could tally only one, although this was enough to tie the score 1-1 and send the game into extra innings. In high school play, games are seven innings.

In the fifth, Rains singled to left, advanced to second on a walk and scored as Ken Cook singled to right center. The Warriors missed a chance to score more when Rich Williams struck out and Dillard grounded out after Larry Diak had walked, filling the bases with only one out.

In the sixth, Price singled and went to second base on a fielder's choice only to be stranded when the next two batters popped out. Then in the seventh, with two out, Diak singled to right center and was safe at

Navy Recruiting '1960 Cardinals Company'

A special Navy recruit company, the "1960 Cardinals Company," will be formed during the month of May according to Chief A. A. Burnett, recruiter in charge of the Quad-City area navy recruiting station at the city hall in Granite City.

This special company, which is being formed by the Navy with the cooperation of the St. Louis Cardinals baseball club, will be composed of young men from throughout the St. Louis Navy recruiting district. This district includes most of Missouri and the southern half of Illinois.

Men who enlist as members of the special company will be sworn into the Navy during ceremonies at Busch Stadium in St. Louis prior to the Cardinals Milwaukee Braves baseball game on May 26.

Chief Burnett explained that the special "Cardinals Company" offers young men from this area the opportunity to enlist, train and return home on recruit leave with their friends.

They will receive their nine-week recruit training at the U. S. Naval Training Center, Great Lakes, Ill.

The special company also offers high school graduates who qualify, the opportunity to enlist in the Navy's high school graduate training program. This program guarantees a young man training in his chosen occupation field, such as aviation, electronics or mechanics.

The "1960 Cardinals Company" will be the third of its kind in recent years. The first was in 1956 and the second was formed during May of last year. Both companies were a success and the men of these companies made enviable records during recruit training according to Burnett.

Showando, Family Event In Summer Scouting Plans

Plans are being completed by the Cahokia Mound Boy Scout Council for its annual "showando" training event for adult scouts Saturday, June 11, and Sunday, June 12. It was announced this week.

Camping skills, fishing contests, specialty cooking demonstrations, horseshoe pitching contests and astronomy will be included, along with compass work and a campfire program. Les Bickel and Ike Williams will be in charge.

Plans also are being made for a "mix fix" program for families at Camp Sunken May 28-30, the six-week 1960 camping season at Sunken from June 19 to July 31, national jamboree at this year's national jamboree at Colorado Springs, Colo., July 22-28, an explorer jubilee field day July 23, a jubilee camporee for scouts at Camp Sunken July 23-24 and a cub scout golden jubilee July 23-24.

The family event on the Memorial Day weekend will feature outdoor adventures, fellowship between families of scouts, tent camping and improvement of camp facilities, including painting work and building of shelves.

Registration for the summer camp season is progressing rapidly, but there are still campsites available in the first, third, fourth and fifth periods. The second and fifth weeks of the season are "sellouts."

Billard and Rains got two hits apiece for the Warriors and Diak, Price, Smith, Hoffek and Cook each earned a run.

Collinsville finished with a 11-8 record while Granite City enters today's re-scheduled contest with Alton with a 15-3 mark. The Warriors advanced to the district final with a victory over Madison Monday afternoon.

John Rains spun a one-hitter and got excellent backing from his infield, and the Warriors played just three hits into a 3-0 win over Madison Monday afternoon in the first round district game.

The Warriors got all that was needed for a win in the first inning when Rich Williams scratched an infield single off Madison Pitcher Sam Georgeff, advanced to second on a fielder's choice and scored moments later on Bob Price's single.

The only other hit Granite City could muster was Larry Diak's single in the third, but two unearned runs in the fourth, which came without benefit of a hit gave Rains the cushion he needed.

The Granite City pitcher started it himself, drawing a walk with one out. Catcher Harry Smith hit a routine ground ball to short, but all hands were safe when Tony Modrusic could not come up with the ball. Bob Hoffek reached base and Rains scored when a force play on Hoffek's grounder backfired.

Smith then took third on a passed ball, and came home when Georgeff batted. Dan Hrysko's solid shot to center with two outs in the third-inning was Madison's only hit.

The loss ended the season for Madison, which compiled a 6-8 record.

License Plate Missing

William Watts, St. Louis, notified Venice police at 6:12 p.m. Tuesday that a license plate was lost or stolen off his truck, possibly on the McKinley Bridge, that day.

GCHS Tennis Squad Tops Belleville 3-2

Dick Harmon's Granite City tennis squad virtually knocked Belleville out of the running for the Southwestern Conference championship by downing the Maroons Monday afternoon 3-2 on the losers' court.

Belleville has now lost two meets while Granite City and Edwardsville have lost once each. The Warriors will meet the Maroons again this afternoon at Wilson Park.

Granite City swept the doubles matches but had trouble in the singles.

Only David Moss was able to win in singles. The undefeated Warrior star, who is district champion this year for the third straight season, downed Belleville's Bud Holleran in straight sets, 6-3 and 6-2. Moss has yet to go beyond two sets in a match this year.

Phil Kamman downed the Warriors' Keith Velez 6-3 and 6-4, and in the most exciting match Jim Koser of Granite City bowed to Joe Rousseau in three sets, 3-6, 6-2, 6-2 and 5-7. In the third set Koser jumped to a 2-0 lead but Rousseau battled back to tie and later to win. The team of Max Prusak and Virgil Kirskey downed Belleville's Ed Bour and Bill Wimmer 6-4 and 6-4, and Granite City's Terry Rusick and Gary Wierman defeated Jim Dunick and David Lashley 6-0 and 6-1.

Young Democrats Seek Golf Course In GC

A recommendation for the Granite City park district to study the possibility for a self-supporting public golf course is being made by members of the Madison County Young Democratic Club.

During a recent meeting here, the club members voted to write the park commissioners asking for the study. They suggested the park district might secure a long term lease on vacant railroad property north of Wilson Park, and point out a golf course would fill a recreation need for adults and many shift workers in the community who are too old or unable to use green recreational facilities that are available.

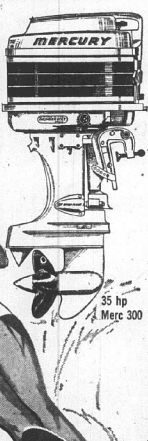

The club also is announcing plans for a "resting spot" for the July 4th celebration at Wilson Park, with the members operating a stand to serve ice water to picnickers and to provide a place in the shade to "sit down and talk politics with local candidates."

Names of candidates to be present will be announced at a later date.

Stuart, Rupp In Spotlight Tonight At DeMolay Fete

The nation's "winningest" basketball coach and the Granite City DeMolay chapter's chief advisor for the past 25 years will be honored at the chapter's banquet at 6:30 tonight at the YMCA.

An active Mason and Shriner, Coach Adolph Rupp will be the principal speaker. University of Kentucky basketball coach for the past 20 years, he has developed 21 All-American players and has produced teams winning 85% of their games. Cliff Hagan of the St. Louis Hawks, who formerly played at Kentucky, has been invited to attend.

The chapter advisor, James Stuart, 3711 Namekard road, will be honored by the DeMolays, Chevaliers, Legionnaires, Nations, Shriners and friends with whom he has come in contact during his long service as "dad" of the youth group.

State, District Posts

A general session teacher at Coopers Junior high school, Stuart was state DeMolay athletic advisor from 1935 to 1944 and DeMolay District Seven deputy. He is affiliated with the DeMolay Legion of Honor and Egyptian Freemasonry, and is of official title with the local chapter as chairman of the advisory board.

Stuart's Masonic affiliations include Granite City Lodge 877 of AP & AM, Granite City Chapter 221 of Royal Arch Masons, which sponsors the DeMolays; a member of the St. Clair Council 61, East St. Louis Commandery 1, and Valley Consistory and Almad Temple Shrine.

In his work with the DeMolay, Stuart has been placed on character-building, physical work, athletics and social events. Now the oldest chapter in the state, it has grown in membership to the second largest in Illinois. Many Madison and Venice participants and youths of all backgrounds and faiths are welcomed.

Athletic Championships

Athletic honors accorded the chapter under Stuart's leadership include state championships in softball in 1938 and 1939, basketball in 1939 and 1940, swimming in 1939, 1940 and 1941, and tennis in 1939 and 1940. The local DeMolay team won the national DeMolay basketball championship from Littleton, Colo.

Numerous local and district honors have been attained in golf, table tennis, bowling, tennis, swimming, wrestling, baseball, softball and track. Stuart is affectionately known to the DeMolays and DeMolay Legionnaires as "Uncle Jim" and his wife, Verna Diehl Stuart, founder of the DeMolay Mothers' Circle, is known as "Aunt Verna." Their oldest son, James Hugh Stuart, is a high school coach at Gallatin, Mo., and their youngest son, Robert D. Stuart, is a junior at the Missouri Valley College, Marshall, Mo.

Unprecedented Coaching Record
Rupp's coaching record of 626 victories in 739 starts includes an unprecedented honor roll of four NCAA tournament championships. His Wildcats hold the all-time record of 11 appearances in the national classic, and they can claim more victories in NCAA play, 21, than any other team. Rupp holds a nominal world's championship as co-coach of the successful USA entry in the 1948 Olympic Games. He was selected as national "coach of the year" for the second time in 1959, and his teams own 19 Southeastern Conference titles, four Sugar Bowl tournament championships, a National Invitational Tournament title and four successes in the first seven University of Kentucky invitational meets.

The famed coach, a member of the NCAA Basketball Rules Committee, was elected to the Basketball Hall of Fame in 1946 by the Helms Athletic Foundation and to the Naismith Memorial Hall of Fame in 1959.

Explorer Eric the Red gave Greenland its name when he explored it in the year 982. He named it that in the hopes of attracting settlers from Iceland.

Page, Portell Will Hurl As Sacred Heart, Mercer Seek To Extend Streaks

SUNDAY'S SCHEDULE
All Games at 2:30 p.m.

Highland View at Sacred Heart (Wilson Park)

McAtee Glass at Maryville
Carpenter at State Savings
McMackin Dink at White City

Bob Page, the Inter-City Baseball League's winningest pitcher, and Dick Portell, co-manager of the Mercer Funeral Home entry, who usually plays the role of firmament for second place behind the Hearts in the Red division, will play White City, alone in the summer-up spot below Mercer in the Blue division. Both teams have 2-1 records.

Portell, who has a 1-0 record this year, will step in for Andy Angeloff, who will get a weekend off to compete in a bowling tournament in Chicago. Page will make his third appearance as a starter in as many weeks.

Sacred Heart Manager Lynne Tucker, whose first season at the helm of an I-C squad has been a real success so far, will send Page (3-0) against the Highland View lineup at Wilson Park, while Portell will face the Whites Redbirds at Troy.

Tucker and the Portell-White combination have been able to crowd about their respective teams' pitching as well as the quality of hitting through the last three games on the schedule.

Merced's 22-hit rampage against a surprised McMackin Bulldog team from Collinsville last Sunday boosted the local team's hit total to 115, while the Hearts have chalked up 34 base hits in the same number of

games, including 17 last week against Maryville. Defeated by the local teams has also been a bright spot. The Mercer outfit committed its first bobbles of the year Sunday against McMackin, and they might have been explained away by the fact that Mercer had a 10-run lead at the time and the players relaxed a bit.

Merced opposition has scored only seven runs against the Granite City entry, while Sacred Heart pitching has given up only 10 runs in four games, including two of the talented variety.

An inter-division game which will have an important bearing on teams currently in second place in the Red and Blue loops will bear some watching Sunday.

McMackin, tied with State Savings for second place behind the Hearts in the Red division, will play White City, alone in the summer-up spot below Mercer in the Blue division. Both teams have 2-1 records.

Widespread Improvement To Downtown Buildings in 'Shadow' of Skyscraper February City

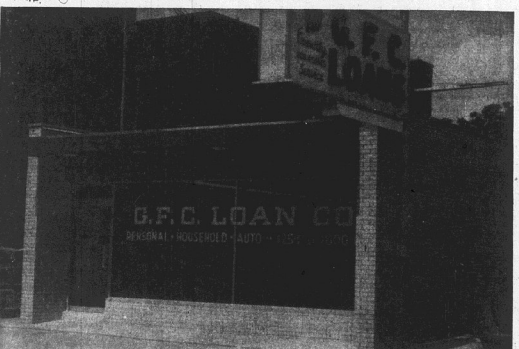

EXTENSIVE REMODELING is being undertaken at the vacant bank building, Niedringhaus and Edison avenues, which is to be the new home for State Loan & Savings Association. The high windows were lowered, the building

was sand cleaned and tuckpointed on the exterior, and it will undergo complete remodeling on the interior. Plans call for offices on the second floor and installation of an elevator.

NEW FRONT FOR FOUR STORES and offices brighten State street opposite the office-bank building. The above improvement is at 1922-24 State street with quarters for Commercial Shoe Repair, Herman Mulder agency, Fred Brown Jewelry store and a vacant

NEW OFFICE BUILDING, completed only last week for the Granite City National Bank, is located in the 2000 block of Edison avenue, directly behind the YMCA and across the street from the city hall. The building is an entirely new structure and was occupied this week.

Downtown Renovation Increasing

Downtown improvements which started before the initial phases of construction on the new office-bank building are continuing to brighten the Quad-Cities' main business district.

With the announcement of the start of the area's first skyscraper, Trattler's Men's & Boy's store, 1326 Niedringhaus avenue, expanded and modernized its building and the improvements in the area have not stopped since.

Most noticeable recent change was the improvement and remodeling project for the Brady Hotel building on the north-west corner of 20th and State streets. The fronts for three business establishments on the ground floor were replaced with modern materials and the entire exterior of the two-story brick structure was refurbished. On the ground floor are the State Street tavern, a vacant store and the shop for Illinois Cleaners.

Just around the corner in the 1400 block of 20th street, another three-story structure was remodeled with new fronts; in the same block with the new Granite City Steel Co. office, new fronts were installed on a four-story building at 1922-24 State street; State Loan & Savings Association is completely redoing the old quarters of the First Granite City National Bank at Niedringhaus and Edison avenues, a new loan office building was erected in the 2000 block of Edison avenue, and there has been considerable improvement in the 1900 block of Edison avenue, where Granite City Trust & Savings Bank has razed several older stores and offices on both sides of the street to expand its facilities for drive-up banking and parking.

In the 1400 block of 20th street the new fronts are on the quarters occupied by the Francis Agency and Petri's Cafe, and between them is a vacant store. On State street, the new fronts are for Commercial Shoe Repair shop, Herman Mulder Agency, Fred L. Brown Jewelry store and a vacant store, while the new office structure was completed last week in the 2000 block of Edison avenue and occupied this week by GFC Loan Co.

Other improvements are in the planning stage. It was learned at least one old building in the 1900 block of State street is scheduled to be razed and possibly replaced.

The downtown remodeling also is extending to 19th street, where at 19th and State streets a new sandwich shop, tuxedo stand and apartment is being erected.

Paul Welshans Promoted At Florida Navy Base

Paul L. Welshans, a former Granite Cityan, recently was promoted to chief commissaryman while serving with Attack Squadron 35 at the Cecil Field Naval Air Station, Jacksonville, Fla.

Before entering the Navy in December 1944, he was graduated from Granite City high school.

QUESTIONABLE

The man who boasts he is level-headed could never tell you at what level he leveled off.

Sales Taxes Top \$20,000 Mark

City sales tax receipts for Quad-City municipalities amounted to a record \$20,069 for February, a monthly listing by the Illinois Revenue Department disclosed today. The previous high for a February was \$17,661, reached in February 1959.

The month's receipts from the half-cent tax totaled \$16,089 for the city treasury of Granite City, \$3,005 for Madison and \$74 for Venice. The Granite City and Venice figures are the highest in history for a February, but the Madison receipts in February 1958 hit \$31,008.

The Quad-City total for the first two months of 1960, including the record \$19,792 recorded for January, are well ahead of any previous year in a similar period. January-February totals were \$36,284 in 1959, \$33,071 in 1958 and \$33,492 in 1957.

The latest monthly figure brings the Quad-City total to \$97,885 since the city sales tax was established here Feb. 1, 1958. Indications are that the \$1,000,000 mark will be exceeded by mid-year, June 30.

City sales taxes grossed \$4,163,122 for 106 cities in February, and the state's four per cent administrative costs amounted to \$167,728. Because the \$3522 paid under protest is not involved in a suit, it is included in the net amount of \$4,025,397 certified to the cities.

To date, 1106 municipalities have enacted ordinances allowing collection of the one-half per cent tax. The other three per cent, or six-sevenths of the total three-and-a-half per cent tax, goes to the state government.

Fourth-Lincoln Mishap

A collision at Fourth street and Lincoln avenue, Venice, on Monday damaged the right front headlight, grille and parking light of the auto of Otto James Gunn, 62 St. Louis, and the right rear taillight, exhaust pipe, muffler and license light and holder of a car driven by Junior L. Balow, 27, of 3224 Wayne avenue.

Hit-Run Accident

Martha C. Dickson, 2321 Washington avenue, reported to Granite City police on Monday that the left rear of her auto was damaged when it was struck by a hit-run motorist, apparently driving south on Washington avenue. She said her auto was parked in front of her home at the time of the accident.

Motorist In Crash Faces License Charge

David Cornett, 18, of 2807 Kirkpatrick Homes, who was involved in an accident Monday night in the 1300 block of Niedringhaus avenue, was charged by police with operating a motor vehicle without a driver's license. He was later freed on \$16 cash bail.

Police said Cornett was traveling east on Niedringhaus avenue and collided with an auto driven by Harold G. Makler, 38, of 3001 West 20th street, who was pulling away from the curb to travel east. There was damage to the front of Cornett's auto, which was towed away, and to the left front of the Makler auto. No injuries were listed.

Complete Census Count Will Benefit Entire Area

The importance for all Tri-Cities and Madison county residents to be counted in the census now being taken was stressed by Harlan D. Dohy, executive secretary of the Tri-Cities Chamber of Commerce. The C. of C. office is doing everything in its power to make sure that a complete census is taken. Dohy has urged all Madison county citizens to list themselves as a committee of one to see that they and all their friends are counted.

"The use of census statistics are many and varied and the results can affect the pocket books directly or indirectly of Tri-Cities area citizens," he said. In stressing the importance of the census, Dohy listed some of the uses that would be made of the census figures:

The primary purpose of the 1960 census of population is to determine representation of states in Congress.

Population is important as a base for re-allocation of the representation from Madison and all other Illinois counties in the General Assembly. The number of people in Madison county strengthens our case.

Large sums of money are distributed from the federal government to states and from the states to other governmental units, with the number of people

as a major element in the distribution formula.

The rights and duties of the city are frequently dependent on the size of the population. The number of certain officials, their salary scale, the number of licenses for particular types of business, the application of certain laws, and even the terms on which loans can be negotiated and bonds sold are often dependent on the number of people.

Government planning for roads, schools, welfare services, water supply, sanitation, and other public services is affected by census figures.

Research studies use the population census to analyze such topics as factors in the growth of the population, the geographic redistribution of the population, centralization in the metropolitan area, the movement of population from the rural areas, the increase of the older population, and many others.

Defense and production mobilization planning requires current manpower figures.

Industrial, retail, wholesale and service businesses, planning new outlets, examine census fact about the number of people, their characteristics, the homes, to determine the kinds of businesses likely to succeed in given locations.

Rotarians Hear Concert On Organ Gift To School

Members of the Granite City Rotary Club enjoyed a program of organ music by A. H. Froelich, executive of the Madison County Federal Savings and Loan Association, in the senior high school music room Tuesday night, following lunch in the school cafeteria.

Froelich, a member of the local club, is an accomplished organist and played a wide selection of numbers to illustrate the versatility of the new \$2000 organ, a gift of the club to the school.

The instrument will be formally presented to the school next fall, and Tuesday's concert was a "preview" for the Rotarians. Principal Lawrence McCauley welcomed the Rotarians and C. E. Townsend was program chairman.

Many of the selections played by Froelich were old favorites and, as one Rotarian put it, "in keeping with the average age of the audience." There also were religious numbers and a medley of tunes dedicated to Rotarian William Huxel, who leaves soon on a trip around the world.

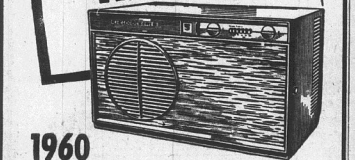

Steel Engineers To Have Picnic May 21

90 YEARS OLD AND OVER, and still active in church work at Concordia Lutheran Church are these four men shown above with the church pastor, Rev. Arvin Twietmeyer, and Vice Ronald Jackson, standing, left to right: Henry Amelung, 99, William Wachtel, 92, August Schwartz, 90, and lower left, Ernst Sieveking, 94.

4 Nonagenarians Active At Concordia Lutheran Church

Although there are many formulas advocated as keys to attain long life, four local gentlemen could probably testify that one way is to be active in church work.

Concordia Lutheran Church, 23rd street and Grand avenue, has four active members over 90 years of age and three recently took part in a church program with a class of young members.

The four nonagenarians, Henry J. Amelung, 99, Ernst Sieveking, 94, William Wachtel, 92 and August C. Schwartz, 90, have been active in Lutheran churches, either in Granite City or elsewhere, most of their lives.

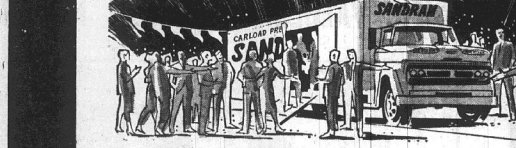

Mr. Amelung, who moved to Granite City in 1905 and was employed at Granite City Steel Co. until his retirement, was one of the charter members of the Concordia Lutheran Church when it was formed by the merger of the Emmanuel and St. Paul Lutheran Churches in 1922 and has continued active membership since.

Mr. Wachtel, although a member of the church since 1948, was an elder for 30 years at the Lutheran Church in Effingham, Ill. He operated a long distance transfer business in Effingham until his retirement.

The Lutheran Church member of longest standing in Granite City, Mr. Schwartz joined Emmanuel in 1901 and is still active, almost 60 years later. He has lived on Bend road for 73 years and has been a farmer all his life.

Mr. Sieveking was a church member in Germany before coming to Granite City. A former Granite City park superintendent, he has spent his working years on the development of Wilson Park. He is superintendent emeritus of the park district.

Rev. Arvin Twietmeyer is pastor of the church and Rev. Donald Jackson is vicar.

\$9837 County Sales Taxes For February

Sales taxes due the Madison county government total \$9837 for February, the Illinois Department of Revenue announced this week. The amount will increase to \$48,292 the taxes accrued since the half-cent county levy went into effect Oct. 1, 1959.

Since the sales tax became effective in unincorporated areas, the Madison county figures have been \$10,150, \$9948, \$9460, \$8865 and \$9837. The county board of supervisors has designated 60% toward construction of a juvenile home, 20% for improvement of the county courthouse and 20% for repairs to the county jail.

The latest listing for February, showed collections in 48 of the 102 Illinois counties. Williamson county was added during the month.

The \$9837 Madison county total was seventh highest on the February list, being exceeded by \$39,397 in DuPage county, \$32,486 Cook county, \$15,804 Peoria, \$11,708 St. Clair, \$11,602 Will and \$10,638 in Lake county. The 48-county total was \$214,949, less \$12,897 administrative costs.

Ill. He operated a long distance transfer business in Effingham until his retirement.

The Lutheran Church member of longest standing in Granite City, Mr. Schwartz joined Emmanuel in 1901 and is still active, almost 60 years later. He has lived on Bend road for 73 years and has been a farmer all his life.

Agencies Taxing Less Than Levee Board Have Governing Bodies Elected Locally

The proposal that Madison county have two representatives on the East Side Levee and Sanitary District board makes sense from many standpoints and is receiving growing support. State Representatives Lloyd C. Harris (D) of Granite City and Ralph T. Smith (R) of Alton have announced that they will introduce or back such legislation at Springfield.

The Quad-Cities, which make up most of the Madison county portion of the levee district, will pay \$771,371 to the levee district from the \$8,292,511 taxes to be collected here this spring. The \$771,371 figure places the levee district third in size of the 15 Quad-City taxing agencies.

The Granite City school district, with a \$3,314,951 tax bill this year, is governed by a seven-member board, two of whom must reside in the rural area. The city of Granite City, which is to receive \$1,053,069 in taxes, has a mayor and 16-member aldermanic council.

Even smaller agencies in terms of taxes have numerically large and representative governing groups. Madison schools, collecting \$660,808, and Venice schools, \$585,846, each have seven-member boards. The county government, with \$549,827 financing from the Quad-Cities, has a 44-member board of supervisors, with representation from every township in the county.

The levee district, a multi-million-dollar operation, outranks all but two Quad-City governmental agencies in its local "tax" rate. The need for at least two local members of the five-member board of trustees is clear-cut. It seems probable that there will be no local board members for the next four years, but action by the legislature can correct this inequity effective with the 1964 board election.

When you have work to do, you might as well do it. Nobody else will do it for you.

Government Urging Purchase Of Savings Bonds By Payroll Plan

Emphasis is being placed on sale of United States savings bonds this month because of the government's belief that the level of outstanding bonds should be kept above \$50,000,000,000.

Sale of E and H bonds, the only active savings program, has shown a steady upward trend since 1952 from \$35,000,000,000 to over \$42,000,000,000, but the higher denomination F, G, J and K series were discontinued some years ago because they were not adaptable to a freely operating capital market for government securities. The outstanding total of such bonds has dropped from \$22,000,000,000 to \$6,000,000,000 in the past eight years and will continue to drop.

New legislation in 1959 made it possible for the interest schedule on savings bonds to be kept at a competitive rate, and a comparable increase in rate for their remaining life was provided on outstanding E and H bonds if held to maturity, with a lesser gain if redeemed earlier. History of the program indicates that the rates will be kept competitive in future years as well.

The savings bond program is still growing and now represents 15% of the total public debt, as against 12% at the close of world war II. More and more Americans are shareholders in their government and nation, and the \$25 and \$50 bonds have become the mainstay of the entire program. Yet, during the postwar period, savings attracted by banks and building and loan institutions have shown even more spectacular growth, leaving the bond program with a smaller percent of the savings market.

With these facts in mind, the Treasury Department is seeking to compensate for the declines taking place in the discontinued series and to encourage moderate growth in the total program. The major appeal being made is for persons to authorize payroll savings plans at their place of employment.

100-Unit Housing For Elderly Will Fill Definite Need Here

With all of its present one-bedroom units occupied by the elderly and over 100 other couples and individuals seeking apartments, the Granite City Housing Authority can fill a definite need with its proposed establishment of a 100-unit project for senior citizens. Not only is there an existing need, but the percentage of the population that is retired is growing steadily.

The 451 low-rent apartments at Kirkpatrick Homes include 97 with single bedrooms. Plans for the new housing call for a one-story structure consisting entirely of one-bedroom and efficiency apartments. Whilever site is selected, federal law requires that the new apartments must have adequate water and sewage lines and must be convenient to bus routes and shopping facilities.

In approving current plans as "workable," the U. S. Housing and Home Finance Agency has recognized the active cooperation of citizen groups and the city's actions in setting up zoning and subdivision controls and minimum construction standards. With a \$200,000 grant already approved for surveys, appraisals and retaining of an architect, it is likely that the housing can be started soon.

When you begin to please everybody, it's time for you to examine yourself.

Power Mowers Can Hurl Dangerous Objects At Operators, Bystanders

A two-year-old Clarion, Pa., girl was killed last week when a power lawn mower ran across a metal coat hanger and hurled a ten-inch section of the wire into her body. While such accidents are rare, some Quad-Cityans have been hurt slightly in similar cases. The latest tragedy should serve as a warning of the danger.

Knowledge of the potential hazard is probably the best safeguard, since a watchful eye on the path of the mower generally can enable the operator to avoid moving the rapidly rotating blade over rocks, metal or other objects. Extra precaution can enhance the operator's safety, and whenever possible mowing should be done when there are no people standing nearby.

Trade in the Quad-Cities and you will be doing yourself an indirect favor.

Dorris Family Still In Need of Blood Donors

Only one blood donor responded to an appeal made last week by Mrs. Alvin Dorris, 2215 East 25th street, and a renewed appeal is being made. Mrs. Dorris, whose telephone number is TR 6-7067, owes 38 pints of blood to the Missouri Pacific Hospital, St. Louis, and expects the total to grow.

Her husband, ill with anemia and on railroad disability pension for five and a half years, returned home Monday evening from the hospital after receiving four pints of blood during the latest hospital stay. He will need transfusions at intervals of several months for the rest of his life, physicians have informed the family. Mrs. Dorris also is ill, and the pension is their only income. They have no children, and his railroad associates are too old to give blood.

April Safest Month of 1960 On Area Streets, Highways

April has proved to be the safest month so far this year. From all standpoints, traffic hazards on Quad-City streets and highways took lesser toll in April than in any month since last September.

During April, local, county and state authorities tabulated 128 auto accidents in this area. In these crashes, 44 persons were injured and there were no fatalities. The 30-day month extended this community's record of no traffic deaths to 35 consecutive days.

The 128-4-0 statistics compare favorably with previous April records, especially with

April Traffic

	Accidents	Injuries	Deaths
1960	128	44	0
1959	110	52	3
1958	115	53	0
1957	129	56	2
1956	141	49	5
1955	110	38	5
1954	75	32	0
1953	100	54	5

April 1953, in each of these months, five Quad-Cityans were killed in vehicle mishaps.

Three fatalities this year. Although only three fatalities

were recorded here through April, the past month was the first of this year with an unblemished record. There was a single traffic death in each of the first three months of 1960.

In 1959, there were three fatalities in January, one in February, two in March, three in April, none in May, one in June, five in July, three in August, four in September, none in October and one each in November and December. The total of 24 in that year compared with 23 in 1958, 28 in 1957, 27 in 1956, 26 in 1955, 44 in 1954 and 24 in 1953.

With the April figures included, traffic records for the first four months of 1960 reveal 568 collisions, 231 injuries and three deaths. The 128-44-0 April totals compare with 135-70-1 in January, 154-63 in February

and 151-49-1 in March 1960. The three fatalities for the first third of the year exceed the two in the first third of 1958 but are exceeded by 14 at a similar period in 1957, 12 in 1954, 11 in 1956, nine in 1959, eight in 1953 and five in 1955.

High Injury Rate With 231 persons hurt in January-April, the year of 1960 is ahead of all previous years except 1959, when there were 228 injuries in the first third and a record 734 by the end of the year.

Totalling 568 accidents here top all previous years except 1957, when there were 552 in the first four months and a record 1657 at the end of the year. At the present monthly average of 142, the current year would end with a record 1704 mishaps.

Illinois Power To Get More Natural Gas

A recent agreement reached between Illinois Power Co., LaSalle Gas Co. and the Mississippi River Fuel Corp. is expected to provide still more natural gas for Illinois Power customers in this area next winter, according to G. Schmitt, area manager of Illinois Power.

Schmitt explained that the Mississippi River Transmission Corp., a subsidiary of Mississippi River Fuel Corp., has contracted for a firm supply of fifty million cubic feet of natural gas a day from the Trunkline Gas Co., another gas pipeline. The Illinois Power Co. share of this gas amounts to seven and one-half million cubic feet.

In addition to a share of the additional pipeline capacity, Illinois Power will be able to make use of the underground storage facilities of the St. Jacob, Ill., field which could increase the additional amount to fifteen million cubic feet a day deliverable on peak cold days of the winter season.

The project is subject to the approval of the Federal Power Commission.

Schmitt said the new supply of natural gas supplements the additional gas made available to Illinois Power customers by the development of underground storage near Gillespie and Freeburg by Illinois Power. The success of these storage fields has provided enough capacity to furnish all applicants among Illinois Power residential customers, and smaller commercial customers with natural gas for heating next winter.

He said the new supply, if approved by FPC, would enable the company to better supply the needs of commercial and industrial customers.

Bid Opening Today For Low-Water Dam

Bids will be opened at 2 p.m. today at the Corps of Engineers Office in St. Louis for the proposed low-water dam across the Mississippi River opposite Granite City. The dam will be a short distance below the Chain of Rocks river bridge.

It was authorized by Congress last year with a \$5,800,000 appropriation and is designed to eliminate low-water hazards and nuisance for river traffic. The low-water periods have not impaired operation of the locks and harbor on the local Chain of Rocks Canal, but has slowed and virtually halted river traffic at the Alton locks, according to Col. Charles Schweizer, district engineer.

Construction of the rock-filled dam, is expected to be completed within two years. The construction will require large stones weighing from five to 20 tons to be placed as fill.

The design contract for the dam was awarded in January to R. W. Bookler & Associates, a St. Louis firm. Twenty-six firms have plans on file including Southern Illinois Builders Association members, Eugene Lahr & Co. of Columbia, Madison Construction Co. of Edwardsville, G. J. Farlow Contracting Co. and Vollmar Brothers Construction Co. both of St. Louis.

Engineer Depot To Be Open To Public Saturday, May 21

A public program on Saturday, May 21, will highlight the May 16-21 observance of Armed Forces Week at the Granite City Engineer Depot, it was announced today by Capt. A. U. Baker, Armed Forces Day project officer.

The depot gates at the west end of Niedringhaus avenue will swing open to the public at 10 a. m., and residents of the Quad Cities are being invited to witness field events to be staged by the 600 soldiers of the 593rd Engineer Group.

All of the program will be centered at the "headquarters area" near the Niedringhaus entrance, and also available for public inspection will be displays of hobbies of the depot military and civilian personnel, to be set up in the servicemen's club, and displays of heavy Army engineering equipment which is handled at the depot. Refreshment stands also will be located in the area.

An entertainment program will be featured on the parade grounds from 2 to 3 p. m. The program will be vocalists, acrobatic dance groups and an instrumental combo — "Regans' Rousers" from Fort Leonard Wood, Mo., that won the Fifth Army talent show.

Two other programs are scheduled for earlier next week in connection with the Armed Forces Week observance at the depot. On Tuesday, the St. Louis chapter of the Society of American Military Engineers will meet at the depot with Brig. Gen. Clarence Renshaw, assistant chief of military construction, Washington, D.C., as the speaker. Gen. Renshaw who was in charge of the building of the Pentagon building at Washington, will talk on construction in the Arctic region. Col. Jack C. Jeffrey, depot commander, is president of the St. Louis chapter, and about 200 members are expected to attend.

An "Armed Forces Week Breakfast" will be held next Thursday at the depot for local, state, and federal officials, civic leaders and businessmen. Col. Jeffrey will speak to the group on the mission of the depot.

Worthen On Program For State Park Meet

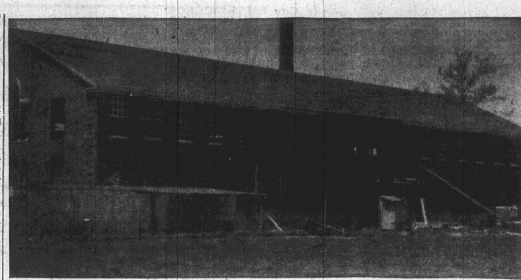

Milton Worthen, vice-president of the Granite City park board and a vice-president of the Illinois Association of Park Districts, will take part on the program being arranged for the state group's regional meeting to be held June 11 in East St. Louis.

The theme of this year's regional meeting will be "Big Problems of Small Park Boards," and Worthen will be among those participating in a presentation, "The Park District Board in Session," to illustrate the functioning of a model park board.

Divorce Granted

In uncontested divorce cases heard recently in the circuit court at Edwardsville, Mrs. Marie R. O'Sha was granted a divorce from Joseph L. O'Sha and awarded custody of a child.

Invitations are being sent to individuals for the breakfast which will be held from 8 to 9-30 a. m. Each visitor will be accompanied by a "depot sponsor" who will orient him on the operation of the depot.

HARMONIZING WITH PRESENT SCHOOL, a 16-classroom addition to Granite City high school presents this appearance. The gabled roof and multiple window panes were dictated by the wish to conform with existing high school buildings. Exterior work is nearing completion, and it is hoped to occupy the new wing this fall. A four-classroom, three-shop addition also is being constructed on the opposite side of the school.

Traffic Charge

A charge of driving too fast for conditions was placed against Donald E. Wright, 24, of Collinsville who was issued an arrest ticket Wednesday morning by Granite City police. Wright posted his driver's license as bond.

Charged With Speeding

John W. Pfafcan, 44, of 2020 Cottage avenue, was arrested about 6 a. m. Wednesday by Granite City police at 23rd street and Madison avenue and charged with speeding. He posted an automobile club membership card as bond.

Traffic Light Arrest

Elbert Betts of Detroit, Mich., was arrested about 5:10 a. m. Wednesday by Granite City police on a charge of failing to observe a blinding red traffic signal at 20th street and Madison avenue. He posted \$11 cash bond.

Three Teachers Moving; Trash Fire Causes \$2500 Damage At Home

Plans to move to other locations resulted in three teacher resignations being accepted by the Granite City school board Tuesday night, effective with the close of the current school term.

Mrs. Carla Coffay Ashmore, McKinley first grade teacher, reported that her husband, Allice Ebel, instructor of the trainable class at the East 22nd street school, reported that her husband is moving from this state, and Paul Froussman, Stallings sixth grade teacher, announced plans to move to Arkansas.

Proposed abandonment of the former Liberty grade school was discussed, with plans made to reach a final decision by the May 24 board meeting.

Usable furniture currently stored at the frame Liberty building is being transferred to various schools, and school furniture in need of repairs is being repaired at Liberty before being distributed.

Accepting a detailed report of maintenance work conducted at all buildings in the district in March and April, the board discussed replacement of 91 broken window panes during the period. Some of the breakage resulted from vandalism, Supt. Harold M. Kaiser reported.

Burning trash caused \$2500 fire damage to the frame home of John Arbogast, 2406 Sheridan avenue, on Monday afternoon. Downtown firemen who answered the alarm said the flames burned up the side of the addition to the house covered with tar paper and spread into the attic over the rear bedroom. The loss was set at \$2000 to the building and \$500 to the contents.

Another fire alarm later Monday afternoon was answered at 2142 State street where the 1937 auto of Wayne Brothers was ablaze. Firemen said there was \$20 damage to wiring on the engine and paint on the hood.

GET RICH SCHEME FOR CITY-TELEVISION MEETINGS

To The Editor:—Although I do not work for the city (thank God), I trust the self-styled "Board of Granite City, namely our Councilmen," will permit me to voice my opinion.

A few weeks ago, when our moonlighter alderman, Walter, the ultra high potent, and extreme ruler of West Granite, complete dictator & controller of some 500 odd followers, Anyway as I was about to say when of honest Walt was trying to pave Cayuga Street, and the rest of the council couldn't agree on any sensible solution—the mayor suggested that a citizens committee be formed to determine what streets were to be improved. Some people thought this would be a good idea. But not the council. No sir, they are the "Bosses" of Granite City, and they alone are qualified to improve the city. They alone are experts on streets, sewers, salaried, Fire Houses or anything else you can think of. They seem to forget it they are public, they are elected by the taxpayers, and elected by the taxpayers are expected by the taxpayers to help our mayor run the city in a dignified & sensible way.

They are not paid to grace the council room, on Monday nights, arguing with their natural enemy the other 15 aldermen. In case anyone is interested, the last time they were in agreement was last year when they voted themselves a raise in pay with expense accounts to match.

Now I see they are on the city hall employees. They say they are not working enough hours. They say they are not earning their money. They say they want a dollar value for a dollar spent. Aren't they the same aldermen that on Monday nights come and go as they please, fail to show up at all and still get paid, use a \$300.00 a month expense account that is never questioned by anyone. Their salary figures somewhere around \$1000 an hour. Now just who is not earning their money?

I would like to make a little suggestion. Why don't we get a good sponsor and televise the council meetings coast to coast? We have an abundance of talent going to waste every Monday night, why not take advantage of it and make our city famous and rich at the same time. Look at the possibilities—We have comedians that make Milton Berle and George Gobel look like Funeral Directors. The public wouldn't mind if they were trying to be serious. We also have our very own Edgar Bergen and his "Dumpty". The only difference being that our Edgar has a larger mouth than his "Dumpty".

For the youngsters we could have a serial called "Sam Swift and his magic Triffid Slingshot". Then we could switch the cameras to the different intersections and show the entertaining confusion and traffic jams they cause.

We also have on the council a real "Do Gooder Alderwoman" that we could build a lovely soap opera around. I can see the story now—From rage to mayor in 4 years.

The potential is endless—Imagine this two hour spectacular, "I was an alderman architect" or "When it comes to voting on Fire Houses, I don't know my face from a baseball diamond."

RECALLS JACK GREEN'S WORK IN WAR EFFORT

Dear Carly:—Reading an article about Jack Green in the April 20, 1960 edition of the Globe-Democrat would like to express my feeling for the former business agent of the Hod Carriers, Building and Common Laborers' local 397 of Granite City, and would like to tell the public what a good Union official and civic minded citizen Jack was.

Jack Green is an advisory board member of the Salvation Army and was chairman of that board for two (2) terms. During World War II he and his members worked free gratis after their regular working day to remove rails, old fire escapes, old boilers and steel stacks, some of which had to be salvaged for the war effort. The money derived from the sale of this scrap iron was turned over to the local civil defense organization.

I was chairman of all scrap drives during World War II and know what a contribution they made.

Jack Green was an outstanding union official who helped for his union at all times. He and his members have always been ready to help better our community, and have been outstanding in civic affairs.

I was a safety engineer on various construction projects and have always known that the men of this local were experts in their field. They were given a good day for a good day's work.

Let's give credit to a wonderful organization where credit is due.

Sincerely yours,
A. L. Ward Jr.

SICL OFFICIAL THANKS SENATOR FOR INTEREST

Honorable Paul Douglas
United States Senate
Washington, D.C.

Dear Senator Douglas:

Thank you for your 25 April letter, acknowledging receipt of the copy of my letter to the St. Louis Tax Collector wherein I explained why I filed a return but respectfully declined to pay the tax.

I agree that it will be interesting to let you about the outcome of litigation initiated by the Southern Illinois Citizens League against the St. Louis Earnings Tax. And like you, I do not see why the Governors have the tax and have not worked this tax problem out together before now.

This parallel thinking is encouraging. Senator, yet your letter is disappointing because it reflects the same passive interest you displayed in Granite City last fall when you stated that this tax problem should be settled locally.

While the SICL fights to repeal the Missouri Side tax raid against the East Side, our Illinois Governor says he does not intend to be drawn into the "argument," and you continue to take a position of passive interest.

It is bad enough to pay this tax grab for the privilege of working in Missouri, but it is worse yet to see compromised the one of the most well-known and respected traditions of our

Granite City PRESS-RECORD

country. "NO TAXATION WITHOUT REPRESENTATION."

As we all know, this tradition developed from one of the inspirations which seeded the conception of our Constitution, provided the Boston Tea Party, and sparked the Revolution of 1776.

To expose this deplorable compromise the SICL is preparing for a Campaign of Enlightenment which will reveal to the 400,000 residents on the Illinois side of the Greater St. Louis Metropolitan Area.

For instance, our state is presently concerned about its financial plight; yet some of our representatives show no interest in the fact that surrounding income tax states presently tax 200 million of dollars from Illinois each year.

It will be interesting to learn about the outcome of Illinois residents' reaction to this revelation and others which will be the result of Campaign of Enlightenment.

Respectfully yours,

RELATES EXPERIENCES AS ELECTION WORKER

Dear Editor:—My wife and myself were working in this past judicial election. It was our first encounter with politics (other than voting) and this election was really an education to us.

You see, we were still naive enough about politics to think that ordinary people like ourselves made up their own minds about which candidate was best and then voted accordingly.

We have friends who signed the petition for one person and because they were offered money, they worked for the other. Some others wanted to work for one side, but because there was no money left for them to be paid, promptly went over and worked for the other side. Not because they felt the candidate was better, but because he had money to pay them.

I can honestly say that neither my wife or myself received a penny for our work, nor did we expect any. We believed what our candidate stood for and what he promised to do if elected. That is why we volunteered to work for him. I would not like to see any of our principles were bought for 10 or 20 dollars.

I have friends who voted for the other candidate and I have nothing against them. They did it because some knew him personally and others because of his qualifications, but they did it without being bought drinks and food or outright receiving money.

Since the election some of my friends kidded me, saying I was on the wrong side, but I think I was on the right side. It's the candidate who got elected. As the old saying goes "Wait till next time."

Sincerely,
WELDON C. BURCH

ILLINOIS POWER COMPANY

Postmaster Explains New Postal Rate Proposals

Postmaster Theodore Overbeck said today he has been advised by Postmaster General Arthur E. Summerfield that proposed new letter rate increases would cost the average family here only 15 cents more a month.

This finding, Overbeck explained, is based on extensive new studies of proposed postal rate legislation. Because about three-fourths of the mail covered in the recommended new rates would be mailed by large commercial users, they would pay most of the additional \$554 million in postage increases, the local postmaster emphasized.

In a press conference in Washington recently, the postmaster general said he is now optimistic that Congress will approve the recommended rate increases before adjournment this summer.

An account of the postmaster general's remarks given in Washington provides the following news facts about the postal rate matter.

The postmaster general warned "the failure to adjust postal rates to postal expenses is not only piling up huge postal deficits which weaken our economic strength, but is also costing the taxpayers of the country in excess of \$200 million annually in interest charges alone."

"We want," the postmaster general declared, "to relieve Americans of the needless financial burden of huge postal deficits. We propose in simplest terms to remove this unjust tax from the backs of our citizens. We propose to do so by having the people who actually use the mails pay the costs of doing so."

The proposed increases would raise ordinary letter costs from 4 to 5 cents an ounce; air mail from 7 to 8 cents, postal cards from 5 to 4 cents, and air mail postal cards from 5 to 6 cents.

The revenues from second class mail — mostly magazines and newspapers — would be increased about 40%, and third class mail — mostly advertising circulars — would be raised about 25%.

Second class mail is producing a revenue deficiency of about \$280,000,000 annually, and third class mail about \$190,000,000 annually.

Other highlights of the postmaster general's statement were:

"The 1960 deficit for the fiscal year ending this June 30 will be over \$600 million, due to the postal rates which enable the Postal Service to deliver 20% more mail than in 1953 with less than 8% increase in manpower."

"The 1961 deficit for the year starting July 1 is an estimated \$554 million."

"The 1958 postal rate increases did not solve the deficit problem because it was largely offset by postal salary increases, rail rate increases and fringe benefits."

"Even with the 1958 increase of one cent — 3 to 4 cents — for ordinary letters, the rate for letters has not kept pace with the times. Since 1952, first class letter rates have been increased only one third (by the 1958 law) but postal costs have increased more than 100%."

"Also, the Post Office Department's principal source of income — postage on the ordinary letter — is producing far less than its traditional revenue yield, which was 14% of costs for many years. Today it is producing only 11% of costs."

"This is not fully in accord with Congressional policy, which recognizes that first class postage rates should take into account the preferential nature of first class mail and require use to pay for value received; that is, cost plus an additional amount for preferential service."

"Second class mail overall is losing nearly 4 cents for every piece handled, and postal revenues for this class of mail cover only about a fourth of the cost."

"Postage rates for many second class mailings are outmoded. About 20% of second class mail pieces in 1959 — consisting of 'within country' publications — were serviced at rates dating back approximately 80 years."

"Even after including a one cent postage rate step which have not yet become effective under the 1958 legislation — including a July 1 step increase — there is still a revenue deficiency of about \$190 million annually in third class mail."

"Though third class mail advertising is the second largest advertising medium in the nation, below cost postage rates benefit these advertisers at the average rate of 1-cent for each piece mailed."

Kiwanis Hear Latin American Ensemble

The Coolidge junior high school Latin American Rhythm Ensemble, directed by Dan Todoff of the school's music department, presented a program of varying Latin American numbers before members of the Granite City Kiwanis Club Monday.

Todoff explained the two major types of Latin American rhythms, the "ranchero" or cowboy ballad style, and the Latin dance rhythms, and the latter dealt entirely with the latter type in its program.

Included on the program were a bolero, samba, rumba, bolero, cha-cha-cha, mambo-cha-cha and a mambo-beguine. Ensemble members Bill Frey, Donna Stoduhar, Bill Niepert, Joyce Stroehle, Gerald Hefferly, Donna Raymond, Judy Siegmeyer, Karen Dannenberg, Carol Grizzard and Kenneth Wille were heard on string bass, piano, trumpet, clarinet, alto saxophone, marimbas, drums, the celeste and maracas. The ensemble was accompanied at the piano by Phyllis Stout.

The program was arranged by club vice-president William Herman. President Francis Judd presided, and introduced one guest, District Lt. Gov. Ben Thompson of Collinsville. Thompson urged that the club send its president and secretary to a fall district convention of Kiwanis Clubs in Chicago.

Wins Scholarship To St. Teresa Academy

Kathleen Dunn, 12-year-old daughter of Mr. and Mrs. E. Dunn of 2156 Orville avenue, has been awarded a four-year scholarship to St. Teresa Academy in East St. Louis, her parents have been notified by the Catholic girls' high school.

The award, known as the Monsignor Witte scholarship, is presented under the auspices of the Belleville Diocese, and includes four years' full tuition at the school.

A student at St. Elizabeth's parochial school in Granite City, the Dunn girl received the highest mark on an entrance examination given to 167 applicants for entry to St. Teresa's this fall. She will graduate from St. Elizabeth's school on May 29.

Mr. Dunn is employed as a meter repairman at the Granite City Engineer Depot. Mrs. Dunn is a substitute teacher.

Comedy Speech Wins Toastmaster Award

A comedy speech, "We Lost An Officer," won the award of the week at the Granite City Toastmaster's meeting Monday night at Cline's restaurant.

Marvin Dean's winning speech concerned his experience as a scout leader at summer camp a few years ago when one of the older leaders became lost in the woods and the troop had to find him.

William Cardwell was the other speaker at the meeting attended by 12 members. Charles Withers was toastmaster of the evening and general evaluator was Dr. Claude Hiles. Charles Youngs was best critic.

City's Traffic Accident Rate—2.76 Daily

Granite City's traffic accident rate in April was 2.76 a day, down slightly from the 2.8 average in March, according to statistics compiled by the police department records section. During the past month there were 83 accidents with 22 persons injured and 21 persons killed.

The accident statistics for the first four months of the year show a sizeable increase in the number of accidents in the city but little or no change in the number of injuries. This year's four-month total of 338 accidents and 89 injuries compares to 282 accidents, 90 injuries and one fatality in the same period of 1959.

Police had predicted there would be 81 accidents in April and proved to be short of the 83 which actually were reported. The officers, who have made predictions on statistics of past years with allowances for increases in the number of automobiles and travel, have stated there will be approximately 82 traffic mishaps in Granite City during May.

The department's frequency map shows more than half the April traffic accidents occurred on seven heavily-traveled thoroughfares.

April Accident Statistics For GC

Year	Accidents	Injuries	Deaths
1959	282	90	1
1958	266	27	0
1957	269	23	0
1956	211	19	0
1955	208	10	0
1954	185	12	0
1953	158	19	0
1952	146	8	0
1951	134	10	0

oughfares—15 on Madison avenue, which each month is the scene of the most crashes; nine on Naperville road, which is showing monthly increases; six on 20th street, four on Nearinghaus avenue, three on State street and two on Edwardsville road, and one on 10th street.

Statistics also show that most of April's accidents were on Fridays (22), following by Saturdays with 16, Sundays with 11, Wednesdays with 10, Mondays and Thursdays with nine each and Tuesdays with five.

The single day with the largest number of accidents was Friday, April 23, when seven were reported to police. There also were two days on which five accidents were reported—Friday, April 8, and Saturday, April 23. Four accidents were reported on eight other days, three on six days, two on six days and one on four days.

Only on two days, Wednesday, April 13, and Tuesday, April 19, were no accidents reported. The types of accidents during April included 47 two-car collisions, three three-car collisions, one four-car pileup. Seven teen parked vehicles were struck including seven classed as hit-run, and there also was one hit-run accident in which both vehicles were moving.

Four pedestrians were injured in mishaps and two auto-bicyclist accidents were reported, along with five auto-truck collisions, one auto-motorcycle crash and one auto-train accident. There was one mishap in which an auto was badly damaged when it ran into an excavation.

A breakdown of the accident statistics by months, with the number of mishaps and injuries listed in that order, follows: January—32 and 25; February—26 and 20; March—27 and 21; April—83 and 23.

State Capitol NEWS

Nearly a million persons during the last year viewed sound color films depicting the story of Abraham Lincoln, according to Gov. William G. Stratton. The films were produced and distributed by the Illinois Department of Public Safety.

Gov. Stratton has announced that the cash offerings for the 1960 Illinois State Fair in Springfield total \$800,191.85. State Fair dates this year are Aug. 12 through 21. This is the 108th year of the Illinois State Fair which started in 1853 with total premiums of \$194.

Premiums offered at the present State Fair and the more than 100 county fairs held throughout the state are derived from a tax on part-mutual wagering at turf and harness racing tracks in Illinois.

which would generate an interest in history. He proposed that one project of the centennial be a concerted attempt to obtain Civil War letters and diaries out of the attic and trunk where they have been hidden for a hundred years. He also recommended that the programs recognize the greatness on both sides of the Mason-Dixon line and that the sacrifices of the people at home be honored along with those of the soldiers in the field.

A BANNER for "Miss Marine Corps," Beverly Blaylock (center) is secured by Eugene Waggoner (left), Granite City Marine Corps enlistee whose 99% rating on a USMC enlistment examination is the highest ever recorded at the local Marine enlistment center. At right is Recruiting Sgt. Harold Taylor. Miss Blaylock will represent the Marine Corps in the St. Louis Armed Forces Day Parade on May 21, and has also been named "Miss Savings Bond" for the same event.

Revised Summer Recreation Program To Begin June 13
 The Granite City park district's summer recreation program, shortened this year to eight weeks, will begin June 13 at six school playgrounds throughout the city. Mrs. Helen Bjorkman has again been named program director.
 Other changes in the program include a new age limit of from seven to 12 years for youngsters taking part, reduction of the number of playgrounds where the program will be offered, and the planned hiring by the park district of school instructors to supervise the playgrounds.
 In past years, supervisors have been high school and college students. Additions to the program include guided tours of the Engineer Depot and other local industries, a supervised visit to the St. Louis zoo and Forest Park, and a trip to Springfield for tours of Lincoln's tomb and the New Salem Park.
 Four hours of handicraft instruction will be offered each week at the playgrounds. Participants also will be able to take part in roller skating, bowling and swimming activities and basketball lessons.
 Locations of the program this year will be the Logan, Emerson, McKinley, Marshall and Nameoki grade schools and at the park district community center, Nidringhaus, Webster and Washington school playground sites have been dropped. The program will close Aug. 5.

War II Vets Deadline July 25 For VA Loans
 Just 2 1/2 months remain in which world war II veterans may apply for GI home loan program, Charles St. J. Chubb, acting manager of the Veterans Administration regional office in Chicago, reminded veterans today.
 Under present law, July 25, 1960, is the cut-off date set for world war II veteran participation in the post-war program that has seen more than five million take advantage of the GI loan provision since June 22, 1944.
 Applications submitted on or before the July 25 deadline may still be processed during the following year. Chubb also pointed out that these dates do not apply to Korean-Conflict veterans who have until Jan. 31, 1965, to make GI loan applications.
 World war II veterans who served in the Korean period also have until 1965.
 However, deadline for VA's direct loan program is July 25, 1960, for all veterans.
 The VA in Illinois has amassed an imposing record of home loans guaranteed since the program began in July 1944, Chubb said.
 More than 220,000 Illinois veterans have used the loan guaranty program to purchase homes with some \$2.5 billions in mortgage value.

In the direct loan program, which began in 1950, VA in Illinois has made \$732 direct home loans with a mortgage value of more than \$42,000,000.
 Currently, the regional office has some 800 direct loan applications "in the mill," Chubb said, and has earmarked the funds to cover them. He said that about 15 to 20 direct loan applications are being received daily and this number will just about entail all funds now or expected to be available for that purpose before the July 25 cut-off.
 Of the \$732 loans made by VA to Illinois veterans, about 450 have been repaid in full and only 21, or slightly more than 1 percent of the total, have been foreclosed.
 Direct loans are made by VA to eligible veterans in rural communities who are unable to obtain financing from private lenders.

REBEKAH LODGE HONORS MOTHERS

A mother-and-daughter covered dish supper was held Tuesday evening by members of Delray Rebekeh Lodge 786 in the basement dining rooms of the hotel. The tables were decorated for the occasion, and a corsage of paper flowers was at each place setting, having been made by members of the Past Noble Grand club.

Gifts were presented to Mrs. Amelia Gentry as the oldest mother present; Mrs. Ellen Wimberly, youngest mother; Mrs. Lila Sanders, mother with the most daughters present; and Mrs. Chloé Maxon, mother with the most grandchildren present.

At the conclusion of the supper, the members adjourned to the hall for their regular meeting, at which the following officers were elected: President, Mrs. Ruby Wood; presiding, Mrs. Ann Sternberg.

At the conclusion of the meeting, the members adjourned to the hall for their regular meeting, at which the following officers were elected: President, Mrs. Ruby Wood; presiding, Mrs. Ann Sternberg.

A joint memorial service of the Rebekeh and Odd Fellows of Madison will be held June 10, at the Rebekeh Lodge 786.

Mrs. June Crumley and Mrs. Ann Sternberg were guests for the evening. Twenty-four members attended the business meeting.

GAA ELECTION
An election of officers was held by members of the Girls Athletic Association of Madison high school at a weekly meeting held Tuesday afternoon at the school.

The president, Miss Elaine Tansie, presided, and Betty Champion was elected as president for the next school term, starting in September. Jeanne Dollins will be vice-president.

Rosemary Carson, secretary; Joan Williams, treasurer; and Mary Ann Stalkoff, point captain.

Sports managers will include: Kathy Schenker; archery, Kathy Eggert; speedway, Stephanie Stawer; basketball, Sharon Nicholas; volleyball, Charlotte Ticker; tennis, Sheila Nicholas; tumbling, Nancy Cholewicki; dancing, Donna Doherty; softball, Alberta English; and roller tennis, Charlotte Lewis.

The girls are representatives of the freshman, sophomore, junior and senior classes. Frances Merkellbach is supervisor of the group.

Albert Hudzik opened a weekly meeting of Den Three of St. Mary's Club Pack 47 at the home of the leader, Mrs. Anthony Ratkewicz, 1608 Fifth street, Monday afternoon with the pledge of allegiance to the flag and prayer. The boys worked on a handicraft project, and it was announced that the pack meeting will be held in the school cafeteria at 7 p.m. May 17. A kitchen band from East St. Louis will furnish entertainment for the evening.

This Sunday will be communion Sunday at the 7:30 mass for all scouts, who are to be in uniform. Mrs. Ratkewicz served popcorn and soda to Michael Darling, Timothy Morton, Albert Hudzik, Robert Rickett, Arthur Ratkewicz, Gary Wasylak, Leonard Fowler and Ronald Lelieniewski.

Blacktop Areas For 3 New Granite City Grade Schools

Installation of 70x100-foot blacktop playground surfaces at the three new Granite City grade schools was authorized by the school board Tuesday night.

A low bid of \$7761 from Marcell Asphalt Paving Co. of Alton was accepted for the work at the Mayville road, Wilson avenue and East 23rd street schools. Other bids were \$8470 from Holland Asphalt Co., \$8564 from Siskin Construction Co., \$8634 from Macfarlane Asphalt Co. and \$8943 from G. H. Sternberg and Co.

Bids also were obtained from the five firms on blacktop areas at Niedringhaus, Coolidge, Frohardt and the Logan annex, and the high school, but an analysis of available funds resulted in the decision to proceed with only the new schools at this time. The three schools were opened last in the building fund.

Marcell's low bid on the work not chosen totaled \$15,700. In other school bids, the board purchased six cheerleader uniforms from Jean Lee and Original for \$200, a bicycle repair equipment from Industrial Arts instruction from George A. Ruland, \$35, \$110, \$43, and Sears Roebuck, \$57.

Bids on custodial supplies, ballroom blacktops and architectural tile were opened for tabulation.

\$16,872 Defense Act Aid
The board pledged \$11,778 in school district funds toward the defense act aid.

MIZPAH CLASS MEETS
Newly-elected officers of the Mizpah Bible class of the First Presbyterian Church presided at a monthly meeting Monday evening in the basement of the church.

The president, Mrs. Matthea Bowers, was in charge of the meeting, which was opened with singing. The devotion, "Sermon on the Mount," was given by Mrs. Eunice Weikert.

During the business period, Mrs. Ann Hackett announced that the date for a range sale to be given by the class in Venice will be June 4.

Members responding to roll call were Mrs. Bernice Gushel; Mrs. Dorothy Cramer; Mrs. Daisy McDonald; Mrs. Pauline Mersinger; Mrs. Margaret Miller; Mrs. Dotty Ramach; Mrs. Ruth Lucas; Mrs. Rae Miller; Mrs. Annie Laura Platt; Mrs. Catherine Haykins and Mrs. Mildred Burgess.

Refreshments were served by the hostesses, Mrs. Mersinger, Mrs. Hefner and Mrs. Ramach. The next meeting will be held June 14.

GLEANNERS MEETING
The Gleanners Sunday school class of the Temple Baptist Church met Monday evening at the home of Mrs. Edith Collins, 1929 Harris street. The month's devotion was given by Mrs. Rose McIntire on "Mother," an observance of Mother's Day. Various topics on the observance were discussed.

Roll call was responded to with Scripture verses. At the conclusion of the meeting, cherry pie and ice cream were served to Mrs. Alma Whit, Mrs. Alice Wilmoth, Mrs. Lela Reiter, Mrs. Fern Washburn, Mrs. Mary Arnold, Mrs. Myrtle McIlroy, Mrs. Pauline Cory and Mrs. Dorothy Taylor.

ENTERTAINS CIRCLE
Mrs. Avis Richardson entertained members of the Young Adult Circle of the First Methodist Church in her home, 2115 Troy avenue, Monday afternoon.

The lesson was presented by Mrs. Emma Graves, being taken from religious magazine. Those taking part were Mrs. Graves, Mrs. Thelma Black, Mrs. Virginia Undermark, Mrs. Betty Ballentine and Mrs. Richardson. Refreshments were served.

Cake and coffee were served in the basement of the First Methodist Church Sunday evening after the regular church services in observance of the 48th wedding anniversary of Rev. and Mrs. H. E. Dickey.

science, foreign language and mathematics projects and applied for \$10,872 in federal funds under the National Defense Education Act.

The NDPA supports 48% of the costs of equipment and instructional devices for development of such programs.

The board authorized a bond and interest payments totaling \$217,529. To meet these costs and another \$2922 due before the end of the fiscal year June 30, a \$27,800 anticipation warrant was obtained from the building fund.

A portion of the building fund balance had been invested in U.S. treasury bills earlier in the school year. After the investment matured, the funds were retained in the bank that would be needed for bond and interest payments. The transfer leaves \$63,308 in the building fund to meet operating costs in May and June.

Education, Construction Bills
As the board approved education fund bills totaling \$32,847, it was noted that an initial transfer of \$202,200 had been made to the transportation fund. The transportation tax does not provide sufficient funds to meet all costs, and more transfers from the educational fund are to be made for May and June.

Authorization also was given for \$1748 in building fund bills, \$12,754 in costs met from the transportation fund, \$81,934 from the new construction fund and \$20,718 from lunch program bills.

It was decided to check with the state on current food transportation costs.

Madison School Picnic To Be Held Saturday
The annual Madison school picnic will be held Saturday at "Fun Fair" formerly known as Rocks Park, just across the Mississippi River from the Chain of Rocks bridge, Madison Sup't. Schools Wessel Brown said today.

Brown said school buses will pick up passengers at 9 and 10 a.m. at all Madison public schools with the exception of the junior and senior high schools, whose students are being instructed to board buses which stop at the school nearest their homes.

Students and other children will be provided round-trip transportation free of charge, while adults will pay bus fares 25 cents for the round trip. One bus will make a circuit of all schools at noon to take late riders to the school picnic, the superintendent said.

Pupils will be given three tickets good for any of the amusement rides at the park, but Brown said the park swimming pool will not be open. Buses will return from the park at 4 and 7 p.m.

Cancer Drive Extended, \$7500 Short of Goal
Still short of the \$30,000 goal, the Madison County Chapter of the American Cancer Society has extended its Cancer Crusade for a short time until all phases of personal contact have been made, Mrs. Constance Slay, executive secretary of the society said today.

"The total raised so far, with still some reports to be received from the house-to-house campaign last month, is \$22,500, some \$4500 less than was raised last year. Of this year's total, \$3275 is from the Quad-Cities which contributed slightly over \$6000 last year."

"Our work now will be to contact previous year's contributors who have not given anything. The drive will be continued until we've reached everybody," Mrs. Slay said.

One of the largest single gifts in the crusade was \$1180 from employees of the Dow Metal Products Co. in Madison. The drive, which started April 1, is headed in Granite City by Mrs. R. G. Kleinschmidt and in Madison by Mrs. Charles Wood.

OFFICERS INSTALLED. The Tri-City Greeters' Club installed officers at a weekend dinner meeting of China's restaurant. They are left to right, Mrs. Earl Grupe, president; Mrs. Robert O'Brian, vice-president; Mrs. Harold Rodell, secretary; Mrs. B. C. O'Neill, treasurer; and Mrs. Alvin Barnes Jr., hostess for the Tri-City Greeters service.

GCBS 'May Bouquet' Tickets Sold Out
No more tickets for the Granite City high school "May Bouquet" programs being presented tonight and tomorrow evening at the GCBS auditorium are available, the high school girls' physical education department said today.

All seats for both performances, which feature the crowning of Miss Diana Ferro as May queen, have been sold out and no standing room will be available, according to the girls' PE department, which sponsors the event annually.

Move To New Fire House Next Week
Granite City's new \$333,000 fire house is nearly ready.

Fire Chief Elijah King said today the move from the ancient quarters on 19th street to the new, ultra-modern station at 23rd street and Madison avenue may be made by next Wednesday.

The anticipated move hinges on action next Monday night. If the building is accepted from the contractor, the moving day will be set for either Tuesday or Wednesday.
